Step Two: If the Innovation Development Grant is a good fit, please review the pdf document of the application found [here](#), to review the questions you will be asked on the form.

How to Apply

- Applicants must complete both the [Phase 1](#) and [Phase 2](#) applications
- You may [reference the full application as a pdf](#)

Tips for Completing the Application

- Adhere to word limits – this is part of the evaluation process
- It may seem obvious, but answer the questions posed on the application
- Avoid using acronyms – or if you do – translate them and email in advance to hatched@ferris.edu
