

Accessing MyDegree

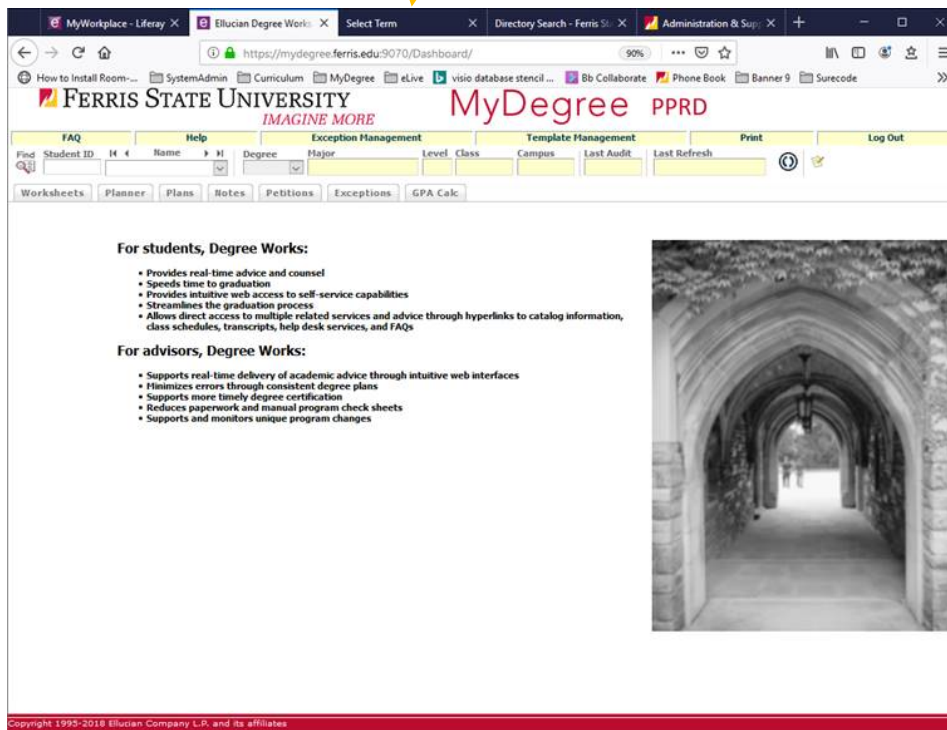

Advisors

Step 1: MyDegree is available from MyFSU:

- Faculty & Advisors tab
- MyDegree for Students under the Faculty Quick Links

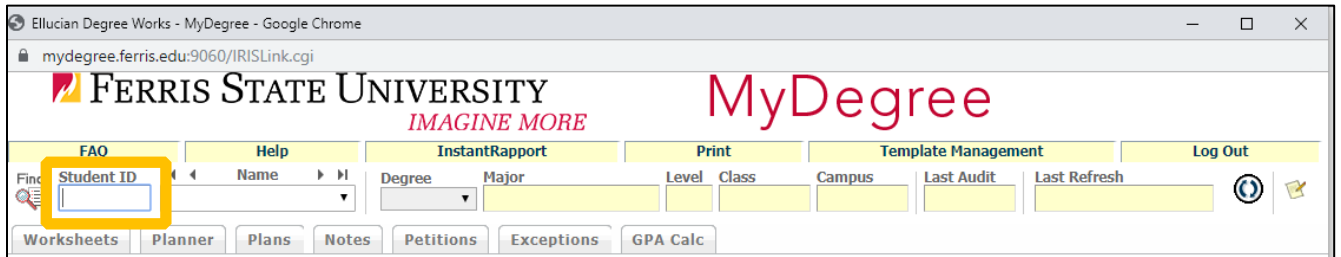

You will be taken directly to the MyDegree Dashboard where you can select the student.

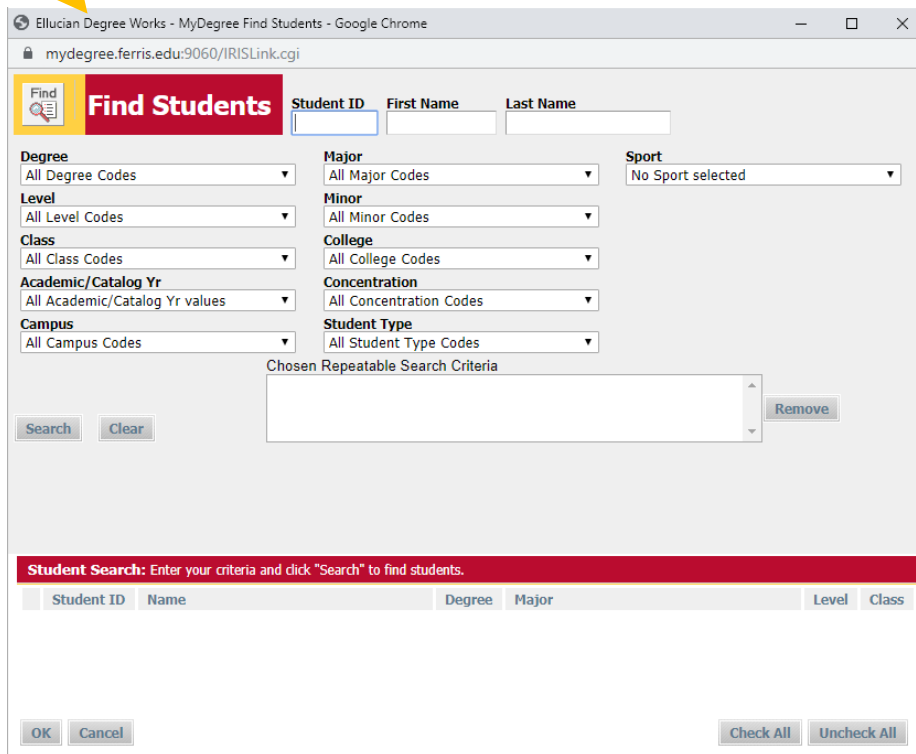

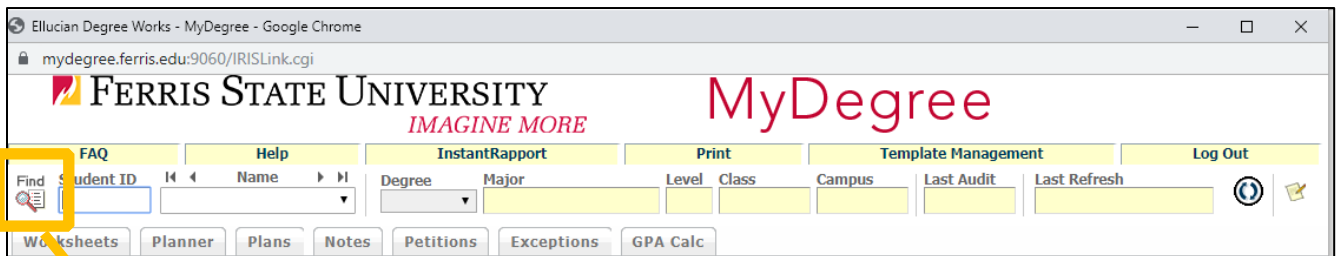

Step 2: Select a student:

There are two ways to select a student

1. Type the CWID of the student in the "Student ID" box and hit enter

2. Use the "Find" button to locate a student

Once you make the choices to find the student(s) for which you are looking, hit the "Search" button. The name(s) of the students that meet your selection criterion will appear in the lower part of the window.

To load the student(s), press the "OK" button in the lower left corner of the window.
