Proposal Number	Title	Notes
21-031	HEQT Courses Modify – Senate Info only Proposer, Austin Williams Katherine motioned to approve; Joe seconded	Emailed 11/30/20 Emily noted the course descriptions for both HSET 382 and HSET 385 have incomplete sentences and advised updating. Rusty will contact proposer for updates. Vote: 7 Support
21-048	Economics BS Degree – Senate Vote Proposer, Mark Brandly Roy motioned to approve; Emily seconded	Emailed 11/19/20 after the UCC meeting. Emily’s comments from 11/19/20 email: I agree with the statement on Form L, I don’t like the outcomes for the major and minor being the exact same but at least they have some outcomes for the minor now. On Form E/F ECON 410 Letter R time allocations, the total adds up to 99.8%, I am assuming the 13.3% is supposed to be 13.5%. There is also no assessment methods on the outcomes in section Q. There is no response to the CCC’s concerns on the form L and I would really like to see some. And again, I am assuming, the one person on the CCC who voted “support with concerns” the concerns are those on the Form L. Additional comments sent in an 11/30/20 email. Vote: 5 Support; 2 Support with concerns
