Agenda
UCC Meeting
February 15, 2018
CSS 302 – 12:00 PM – 1:30 PM

1. Minute Approval – 02/08/18 Meeting
    Greg moved to approve, Roy seconded. 6-0 approved.

2. New Business

    a. UCC/MyFSU Website Update
        i. The current UCC pages, where the links to proposals currently live, will be put behind a wall, making it accessible only if the computer is directly on the Ferris network. Someone at home or at a different location will not be able to get to the page and see the proposals. A work around to this would be to get to the site through a VPN; if someone wants to do that, they will need to contact TAC to get it set up.

Proposal Number	Title	Notes
18-087	Curriculum Clean-Up: MISI	RAM met with the proposers for this on Monday, and all requested changes have since been made. Greg moved to approve, Joe seconded. 7-0 vote to approve.
18-088	Course Update: COMM 105, 121, and 221	Greg moved to approve, Sue seconded. Motion was withdrawn. The E/F doesn't show what the old outcomes are; we can push the proposal back. Also, they did not include Form B's, which will need to happen. Proposal is now on hold.
18-089	Digital Forensics Course Prefix Change	This proposal will be going for a follow up review at RAM next Monday, but will be ok for review in the UCC for an approval pending any changes from RAM. Should there be a Form B sent to the College of Education College Curriculum Committee? We would like to get feedback from Academic Affairs to see where they stand on programs moving from one college to the other. If they want to change the name, they will need to close and re-open the minor. But if they are just looking to change the college, they won't need to close the minor. We can send this back to the proposer to get Form B's sent to an administrator in COEHS, not just the CJ program. Since this is a larger change, we also recommend having Leonard look at the proposal and have him say if a PCAF is needed? This proposal needs to go back to RAM and be triaged.

3. Other Business

Update the Form C to show that a copy of the proposal needs to be sent along with the Form C.

Update Form B to show Undergraduate/Graduate.

Add a last updated date to the site.

Form D needs to be updated. Update the link on the form, as it is dead. Effective date needs fixing too.

Sue motioned to remove the old forms, Dave seconded. 6-0 approved.

How checksheets are updating when the only things changing are pre-reqs on a course? ← For next agenda.
