Proposal Number	Title	Notes
-----------------	-------	-------

18-055	Early Childhood Education Curriculum Clean Up	<p>Checksheet pre-reqs do not match the E/F's, but this should be updated soon.</p> <p>Emily moved to approve, Katherine seconded.</p> <p>This proposal is missing a Form C.</p> <p>The outcomes and assessments are not strong enough on all the E/F's.</p> <ul style="list-style-type: none"> <li>• “Document” is too weak for wording.</li> <li>• “Demonstrate knowledge” is weak on its own. “Demonstrate” how?</li> <li>• The committee would like to see more detail as to what is expected of the students taking these courses.</li> <li>• EDCD 160 – Listed as a modify. Class seems to be changing enough to need new outcomes. There should also be changes to time allocation due to the credit change.</li> <li>• EDCD 115 – Time allocations will need to be updated to include the lab.</li> <li>• EDCD 210 – Same issue as 160, regarding outcomes. Please confirm if outcomes are remaining the same and why.</li> <li>• EDCD 112 – Key assignment is a brochure about one theory; this does not seem adequate to achieve the outcomes. We would need more details as to how this assessment would achieve the listed outcomes.</li> <li>• EDCD 206, 295, and 495 – There is only one assessment and outcome listed, and they're weak ones.</li> </ul> <p>Proposal has been tabled pending these changes.</p>
