1. Minutes for 11/09/17
 - a. We do not have enough members to vote on approving the meeting minutes.
2. New Business

Proposal Number	Title	Notes
18-001	New Degree - Bachelor of Science in Dental Hygiene	This proposal isn't ready to be voted on yet, as RAM hasn't gone over it, but we wanted to keep it on the agenda so people can read it for next week. It's a big proposal.
18-045	ELWL Course Outcome Updates	We are still receiving Form B's for this proposal. The outcomes seem to be measurable. There should be an e-mail calling for a vote, waiting until after 10 business days (Nov 20), contingent on no adverse Form B's.
18-034	Operations and Supply Management Program Revisions	The semester by semester breakdown does not match the checksheet. The following courses were on the checksheet, but not the breakdown: <ul style="list-style-type: none">• COMM 365• ISYS 105 This proposal was put back on hold for an updated semester breakdown.

3. Other Business

Greg offered to contact Billie Anderson regarding proposal 18-041: Informatics Certificate, since he sees her in the hallway regularly.
