Called to order promptly at 11 am by Cate
\$65,000 budget to spend

We then went through each category and eliminated ones based on a discussion.

Here are the nominees:

Frankenstein from Arts not Music

Ethos Percussion and Jeremy Kittel Band from Music

Grant Imahara or Esera for lectures. If Grant is more than 15K go with Esera (sorry don't have last name handy)

It's possible that Mr Kittel will be less than budgeted allowing a bit more \$\$ to go to Grant.

Next season will be free admission for all events.

Adjourned at 11:34
