

## 1095-C Notice to Employees

The Paperwork Burden Reduction Act, effective for the 2024 calendar year, modifies provisions under the Patient Protection and Affordable Care Act so that employers and health insurance providers are no longer required to send tax forms to covered individuals showing proof of minimum essential coverage (1095-B and 1095-C tax forms) unless a form is requested.

In response to the change, Ferris State University will not be mailing physical 1095-C forms, unless requested.

1095-C tax forms are available electronically on Ferris360.
