Michigan Public Schools Employees Retirement System (MPSERS) Ouestionnaire

In December 1995, House Bill 4047 was passed by the Michigan Legislature. This Act amended the Michigan Public School Employee Retirement System (MPSERS) to exclude university employees from participating in the MPSERS retirement plan if they had not performed MPSERS university membership service before January 1, 1996. This legislation was effective March 28, 1996. However, if an employee hired on or after March 28, 1996 has prior employment and MPSERS membership prior to January 1, 1996 with one of the seven MPSERS universities, he/she may be enrolled in MPSERS. To help us determine your eligibility for MPSERS, please complete this MPSERS questionnaire.

If you have MPSERS university service prior to January 1, 1996, Ferris will review your eligibility to enroll in MPSERS. If you are not able to enroll in MPSERS you may have the opportunity to enroll in the University provided retirement plan, based on your employee classification.
