## **FERRIS LIBRARY FOR INFORMATION, TECHNOLOGY, & EDUCATION FACILITIES USE FEES (Cont.)**

### Reservations and Regulations for FLITE Rooms:

1. Reservations: FLITE Instructional Studios and Seminar Rooms are reservable through the FLITE Room Reservation System for the purposes of meetings, training, or instruction. Large study groups may reserve the rooms for up to six hours per day. Reservations are suggested at least one week in advance. All reservations are accepted on a first-come, first-served basis. The Ferris State University community will receive priority for FLITE resources, including rooms.  
Student instruction conducted by librarians or classroom faculty takes priority in reserving FLITE Instructional Studios. Studios may be reserved for other purposes when not in use for student instruction. Please note that the Instructional Studios are also available for Information Commons overflow.  
FLITE reserves the right to limit reservations to one per week for each group/organization or to move meetings or events to maximize the use of the facility for academic pursuits. Any group being moved will be informed at least 14 days in advance of the reservation and FLITE will make every effort to provide alternative space. Because FLITE is not designated as a classroom building, rooms may be reserved for up to 50% of the scheduled class time for the entire semester.  
FLITE encourages library users to reserve rooms in advance. We understand, however, that individuals or groups may need to use rooms in FLITE without having made a prior reservation. In these cases, rooms are available "as is," (i.e., additional equipment may not be requested) for Ferris-affiliated faculty, staff, and students upon request as long as the room is not already in use. To use a room without a reservation, ask at the Checkout Desk to make the necessary arrangements.
2. Policies: Groups reserving rooms in FLITE should conform to the FLITE Food and Beverages Policy and should be aware of campus-wide policies that govern the use of all FSU facilities, including Business and Special Expense and Policy on the Use, Rental, Lease of University Facilities.
3. Payment: Category B groups will be billed at the end of the month; category C & D groups will be billed prior to the event (refer to FLITE Room Reservation Procedures document). Fees may be paid via a University budget transfer, cash, or check. All checks should be made out to: Ferris State University (FLITE).
4. Additional Fees: (a) A cleanup fee of \$25 may be assessed for excessive mess left in any FLITE spaces, regardless of University affiliation.  
(b) Any damage to the facility/equipment will be charged to the sponsoring organization or person, regardless of University affiliation, at a minimum charge of \$25.00 or actual cost.  
(c) FLITE is not a conference facility. We do not have the staff to make room configuration changes. If changes are made, the sponsoring organization or person, regardless of University affiliation, is responsible for returning furniture (workstations, tables, chairs, etc.) configurations to their original setup. A \$25 fee may be charged if any space is not returned to its original configuration.  
(d) For categories C & D, a \$25 flat fee will be charged for the set-up and removal of any and all additional equipment in each space.
5. Keys: Room keys are available at the FLITE Checkout Desk. A valid FSU ID card is requested for checking out room keys. In lieu of an FSU identification card, a government-issued photo ID will be required. In the event a room key is lost, the appropriate fee will be assessed from the University.
