2. Describe the audience that was impacted by the grant's implementation. Provide quantitative data, if available. **Over 3000 students, faculty and staff participated in events during the 2010 MLK Week Celebration at Ferris State University. How did this impact compare to what you expected? **In assessing the 2010 MLK grant project's impact on the Ferris community, the creation of another opportunity to spread cultural awareness to a diverse population comes to mind. The use of hateful words has become in most circles apart of a regular conversation. Many individual are ignorant or naïve to the fact that hateful words are still hurtful words to many. The NWC Show brought light to that issue in a comedic way, and students in this generation still understood the big serious issue. The 2010 MLK grant funded an opportunity for continued learning about diversity to happen.**
4. Present a final budget including all funds received and spent related to the project, with special focus on the funds received via the Diversity Mini-grant. **\*Please see attached budget for details.**
