Ferris State University
President's Council
Meeting Summary
February 23, 2022
9:00 am, CSS 302

Attendance:
Bachmeier, Cook, Eisler, Fleischman, McCrackin, Pearcy, Pilgrim, Postema, Ward-Roof

Guests: Kristen Salomonson, Fredericka Hayes, Charlie Weaver

Agenda Items:

- **Enrollment Yield** – Kristen Salomonson provided a progress report on efforts to increase the yield of admitted students to enroll. There are new reports available in March that will be good indicators of where we stand for fall enrollment.

- **Employee Evaluations** – Fredericka Hayes reviewed the timeline for employee evaluations with Council Members. The schedule will be similar to last year. She also shared the presentations HR is making to prepare supervisors for the review process. She agreed to follow up with a listing of new supervisors this year. It is the consensus of the Council that each new supervisor should go through this training.

- **Data** – In keeping with the initiatives of the Strategic Plan, Charlie Weaver provided an overview of planned approaches to improve the reporting of data from university systems. This will be an ongoing process requiring the participation of both data users and IT. The four-step process has already begun with departments working to clean up data. A data governance team is being chosen and the review of replacements for the reporting software will begin soon. An analysis of all reports will be conducted as we transfer to the new solution. This should improve both the quality and integrity of our data.

- **COVID Update** – VP Ward-Roof provided a COVID update after her most recent meeting with the Re-entry group. There are many things to consider as we move forward in planning camps and other activities. There are no changes to our current situation pending an announcement from the CDC regarding new recommendations.

Round Robin
- **President McCrackin** – Kendall has a number of accreditation efforts underway with NAAB, CIDA and NASAD reviews this semester.
- **VP Pearcy** – UAM has completed orientation with the new Ferris Foundation Board members. Thank you for your participation.

Meeting adjourned 12:01 pm
