Individuals are required to obtain verification of non-filing (VNF) from the Internal Revenue Service (IRS) for the purpose of verification. However, if you are unable to obtain VNF from the IRS, the institution may accept this signed statement, including disclosure of sources of income, and approved documentation of reported income.

By signing below, I certify that I have attempted to obtain the VNF from the IRS and was unable to obtain the required documentation; I have not filed and am not required to file a 2016 income tax return.

Below is a complete listing of the sources of any 2016 income I earned from work and the amount of income from each source:

I have also included a copy of IRS Form W-2, or an equivalent document, for each source of 2016 employment income received.
