

Creating an Account with Perkins Loan

Go to <https://www.signmyloan.com/Entity/AuthenticationMethods> and follow the steps:

https://www.signmyloan.com/Entity/AuthenticationMethods

Home Help Contact Us Security Log Off - +

Please select an approved authentication method

If you would like to authenticate with a username and password previously established on one of these compatible systems:

- signmyloan.com
- uasecho.com
- uasexit.com

Username and Password **Create Online Account**

If you would like to use a PIN issued by University Accounting Service:

UAS Issued PIN Request PIN

If you would like to use a PIN issued by your academic institution:

Institution Issued PIN

Click "Create Online Account" to register with SignMyLoan

To create a username, please use the following as a guide:

Create A Username

This form can be used to create a username for SignMyLoan authentication.

If you have been issued a tax identification number (Social Security Number, Individual Tax Identification Number, Alien Registration Number), please enter it into this field.

If you have not been issued a tax identification number, your institution should have provided you with an alternative identification number (such as a Student ID or Borrower ID). Please enter the institution provided identification number into this field.

Identification Number

000-00-0000

Use your social security number here.

If you have a domestic mailing address, please provide the 5 digit zip code in this field. If you have an international mailing address, please provide the foreign postal code in this field.

Postal Code

55555

This is for your PERMANENT address. For some students, this may be your parents' address.

Date Of Birth (mm/dd/yyyy)

mm / dd / yyyy

If you do not have a driver license, please enter the value 'None' in this field.

Driver License Number

For security reasons, the email address entered below must match an email address we currently have on file for your account. A temporary password will be sent to this email address.

Email Address

student01@ferris.edu

Use your Ferris State email here.

Then create a username and password, and click
