INSTITUTIONAL RESEARCH & TESTING

FERRIS STATE UNIVERSITY

January 2023

Dear Colleague:

The *Ferris State University Fact Book* is an annual project conducted as a service to the University community by the Office of Institutional Research and Testing, in the Division of Student Affairs. This 32nd edition is a document designed to answer the most frequently asked questions about Ferris State University.

New additions to the Fact Book this year are Graduate/Graduate Professional Admits Profile information in the Enrollment Section. This includes enrollment by Gender, Ethnicity, and Full-Time and Part-Time by Campus.

To access the current Fact Book, as well as previous editions on the Ferris State University website, go to www.ferris.edu and click on "Resources", "Institutional Research & Testing." Under the Institutional Research heading, select "Fact Book Downloads." As an alternative, you can simply type the words "Fact Book" in the search box located on the Ferris homepage.

There are also Excel files from the Fact Book that can be accessed under the heading "Fact Book Excel Files". This includes Enrollment by Program by College, Degrees Conferred by Program by College, Enrollment Summary, and Enrollment Summary by College.

We would like to thank the many offices that assist us with the development of the information for the Fact Book. Please do not hesitate to contact us if you have any questions or have ideas for future editions of the Fact Book.

GENERAL INFORMATION

MISSION STATEMENT

Ferris State University prepares students for successful careers, responsible citizenship and lifelong learning. Through its many partnerships and its career-oriented, broad-based education, Ferris serves our rapidly changing global economy and society.

VISION STATEMENT

Building on the vision of our founders, Ferris State University will be an agile and transformational university. By integrating theory and practice, we will foster opportunity, discovery and professional preparation for a dynamic global society.

CORE VALUES

- Collaboration: Ferris builds partnerships within the university and the global community that promote shared goals and success.
- Diversity: Ferris commits to be an inclusive university community that respects the dignity of the individual and promotes the acceptance of others.
- Ethical Community: Ferris implements policies, procedures, actions to promote transparency, advance our mission and foster integrity, civility and respect within and beyond the university.
- Excellence: Ferris dedicates itself to innovation and quality execution that sustains and promotes relevance in a changing world through best practices and benchmarking.
- Learning: Ferris promotes hands-on, transformative learning; balancing theory and practice; encouraging teamwork and innovation and emphasizing critical thinking—all are fundamental elements of career success.
- Opportunity: Ferris honors the legacy of our founders by encouraging and supporting all who wish to acquire the knowledge, leadership and communication skills that are the foundations of personal success.

HISTORY

Established in 1884 by Woodbridge N. and Helen Gillespie Ferris, the University today continues its founders' vision of providing a career-oriented education that meets the challenges of a changing economy. Woodbridge, a distinguished Michigan educator and politician who served two terms as the State's governor and was an elected United States Senator, and Helen, co-founder and teacher, built their school on the concept of not only providing students with marketable skills, but giving students opportunities regardless of race, age or status. Ferris was a private institute until 1950, when it joined the state higher education system. The college obtained university status in 1987.

LOCATION

Ferris State University's main campus is in Big Rapids, a west central Michigan town of approximately 8,976 in the vacation-recreation region. In addition to being home of Ferris State University, Big Rapids is the county seat of Mecosta County. The 930-acre campus is readily accessible by the US-131 expressway and state highway M-20. Big Rapids is 55 miles north of Grand Rapids and within 200 miles of Chicago and Detroit.

*Fall 2021, the College of Arts, Sciences and Education reflects a new name (previously, College of Arts and Sciences).

ADMISSIONS

Current admission criteria for new students require all incoming freshmen students to submit official high school transcripts or official GED scores and, if available, ACT or SAT test scores prior to an admission decision. Transfer students are required to submit official transcripts from all colleges attended as well as official high school transcripts and test scores to achieve a complete academic profile. Students fulfilling university entrance requirements will be granted admission to the University.

EDUCATIONAL PROGRAMS

Ferris offers more than 190 educational programs through the Kendall College of Art and Design, Michigan College of Optometry and the College of Arts, Sciences and Education, Business, Engineering Technology, Health Professions, Pharmacy and the offices of Extended and International Operations as well as Retention and Student Success. These programs lead to doctorate, master, bachelor, associate degrees and certificates. Master's degrees are offered in areas such as: Business Administration, Career and Technical Education, Criminal Justice, Curriculum and Instruction, Educational Leadership, Fine Arts, Information Security and Intelligence, Nursing, Public Health and Social Work. Doctoral degrees offered at Ferris are in Community College Leadership, Nursing Practice, Optometry and Pharmacy.

Each college offers a cluster of related programs that are targeted to prepare students for specific careers, responsible citizenship and lifelong learning.

FINANCIAL AID

More than 83% of the students presently enrolled in a degree-granting program at Ferris State University receive some type of financial aid through federal, state, institutional, private and other sources including scholarships, grants, loans and student employment. Ferris State University awards more than $126 million in student aid annually.

Financial aid is primarily based on financial need and is intended to assist students whose families lack the total resources needed to pay for college. Information on financial aid programs available at Ferris may be obtained by contacting the Office of Scholarships and Financial Aid at (231) 598-8210 or via the internet at http://www.ferris.edu/ and clicking on the Admissions & Aid link. See Financial Aid details on pages 169-170.

ATHLETICS

The Ferris State University Bulldogs are members of the National Collegiate Athletic Association (NCAA). Varsity teams compete in the Central Collegiate Hockey Association (NCAA Division I) in ice hockey and the Great Lakes Intercollegiate Athletic Conference (NCAA Division II) in all other sports. Ferris student athletes participate in 17 varsity sports. Individual men and women teams are: golf, tennis, basketball, indoor and outdoor track and cross country. Women may additionally participate in varsity: softball, soccer and volleyball. Men may participate in varsity: hockey and football.

CENTER FOR LATIN@ STUDIES (CLS)

The Center for Latin@ Studies helps students get to and through college by building on and celebrating their cultural identity. The Center for Latin@ Studies provides support for DACA and undocumented students and near peer support through Latinx College Completion Program targeting 2nd year and above undergraduate students. CLS is the home of the Promesa Pathways, which are composed of Promesa Avancemos, a middle school college and STEM career exploration program; Promesa Summer Success, an early summer college bridge program for rising high school juniors and seniors; Promesa Scholars, an academic leadership program focused on Latin@ student success using a culturally responsive pedagogy and Amigos de Promesa Scholars, an internship readiness program partnered with CAPS and the West Michigan Hispanic Chamber of Commerce.

DIVERSITY, INCLUSION AND STRATEGIC INITIATIVES OFFICE

The Diversity, Inclusion, and Strategic Initiatives Office (DISIO) works with the entire Ferris State University community to support the core values, mission and vision of the University. DISIO also work to ensure that diversity and inclusion, in their many forms, are understood, respected and valued. The office guides efforts to conceptualize, assess and cultivate diversity and inclusion as institutional and educational resources.

More specifically, DISIO will:

- Be a strong advocate for diversity, equity and inclusion (DEI);
- Introduce DEI into the systems, structures and culture of the University;
- Provide expertise and leadership on DEI-related matters, for example, faculty recruitment and retention issues and the educational impact of diversity;
- Lead University-wide DEI planning and implementation efforts, resulting in a collaborative vision;
- Help develop policies to make the campus more welcoming and inclusive;
- Identify strategies to enhance the compositional diversity profile of students, faculty and staff;
- Provide resources and direction for infusing DEI into the curriculum;
- Offer an annual assessment of the University's progress toward implementing the DEI Plan;

CAREER AND PROFESSIONAL SUCCESS (CAPS)

Core to the University's mission, vision and values is preparing students for a successful career through offering a variety of opportunities. The CAPS office offers professional and leadership development workshops, career exploration, volunteer service opportunities, high-impact learning experiences, individual coaching and employer networking to assist students in becoming career-ready. CAPS coordinates a large, all major career and internship fair each semester and offers on-campus interviewing opportunities. A career networking platform called Handshake is offered for all students and alumni and is available in MyFSU. CAPS services are available for all students, for life, for free. For more information, contact the University Center room 120 – 231.591.2685 – FerrisCAPS@ferris.edu.

CENTER FOR STUDENT INVOLVEMENT (CSI)

This Center helps students in creating a sense of belonging by engaging them in events and student organizations to provide a dynamic social experience and connection to the University. CSI offers students opportunities to be involved in planning events, joining and leading registered student organizations, annual traditions and attending a variety of conferences and workshops. CSI utilizes Bulldog Connect and is available in MyFSU as the event and student organization hub. For more information, contact the University Center room 121 - 231.591.2606 - CSI@ferris.edu.

The Center for Student Involvement offers three distinct resource areas:

Events - Provides a place to go when looking for things to do on campus. Multiple events and activities take place every day and the CSI staff will help you find something you enjoy doing. Event planning assistance is available to all students. The center also advises Entertainment Unlimited, our campus programming board. Homecoming, Bulldog Beginnings, Fridays at Ferris and Bulldog Weekends are among the traditional programs coordinated through CSI.

Student Organizations - Helps to keep students involved and connected to the University. There are more than 200 Registered Student Organizations (RSOs), including club sports, Greek-letter organizations, spiritual groups, honor societies, student government, professional associations and more. Students can find a suitable or fitting organization themselves or they can learn how to start a new organization. Students can find out more about RSOs on Bulldog Connect, the student organization management platform.

Fraternity & Sorority Life - Embracing the long-held history and values of fraternities and sororities, this office works to empower Greek-letter organization members to continue the legacy to advance their missions. The office offers recruitment information, support with activities and plans Greek Week and Hazing Prevention Week. At the core, fraternal membership offers an opportunity for leadership, scholarships, service and building community.

ENTERTAINMENT UNLIMITED (EU)

Entertainment Unlimited, the campus programming board, is made up of motivated students that have a general interest in entertainment and enjoy planning and implementing campus events. Events include guest speakers, comedy shows, films, novelties and live music performances along with the annual Music Takes Action benefit concert. EU is open to all students with some general membership requirements.

CENTER FOR CERTIFICATION TRAINING & TESTING (CCTT)

The Center for Certification Training and Testing was founded in the early 1990s to administer the EPA-mandated Section 608 certification and testing program to Heating, Ventilation, Air Conditioning and Refrigeration (HVACR) technicians throughout the country. A technician's certification card with the Ferris State University logo, which they display each time they purchase refrigerant, is recognized and valued throughout the industry. The CCTT, through its state-of-the-art database, has the ability to administer testing programs for a wide variety of businesses. The CCTT offers:

- EPA Section 608 & 609 Certification Program
- R410-A Certification Program
- HVAC Excellence Employment Ready Certification Program
- Green Awareness Certification Program (covers HVAC, Plumbing & Electrical)
- Geothermal Energy for the Home Certification Program
- Electrical Generating Systems Association (EGSA) Certification Program
- Hydrocarbon Refrigerants Certification Program

For further information about CCTT, please email cfc@ferris.edu, call toll free (866) 880-7674 or visit us on the web https://www.ferris.edu/CET/cctt/index.htm.

EDUCATIONAL COUNSELING AND DISABILITIES SERVICES OFFICE (ECDS)

ECDS provides collaborative services empowering students to become independent, active learners who thrive and achieve their academic goals.

The office is staffed with licensed, professional counselors and social workers. Check http://www.ferris.edu/ecds/ for the wide range of services offered.

Educational Counseling

ECDS's Educational Counseling can assist with academic matters including stress and time management, test anxiety, study habits and more.

Career Counseling

Career Counseling can assist students to:

- Clarify academic and career interests
- Identify connections between a student's major and career options
- Identify resources to research employers
- Identify skills and strengths
- Determine a course of action to meet career objectives

Disabilities Services

Disabilities Services serves and advocates for students with disabilities while promoting equal access to educational opportunities and programs.

EXTENDED AND INTERNATIONAL OPERATIONS (EIO)

Extended and International Operations (EIO) expands the reach and impact of Ferris State University beyond Big Rapids and beyond the traditional classroom. Through the development of strategic partnerships, the cultivation of innovators in higher education, corporate training, and support for instructional design, EIO is moving students, organizations, and communities forward.

Ferris Statewide
EIO has built a network of 22 locations across Michigan that allows students to earn their degrees locally. Statewide programs are agile, dynamic, and highly responsive to the local industry, accelerating students' transition into in-demand fields with the training and expertise employers need right now.

Ferris Online
Ferris Online makes the promise of a Ferris education available to anyone, anytime, anywhere. Offering more than 50 undergraduate and graduate programs in cutting-edge, web-native learning environments, Ferris Online is pushing higher education into the future.

eLearning
The eLearning team of instructional design consultants, technologists, and trainers supports faculty in enhancing student success through technology and high-quality course design. The team provides leadership through strategic planning, expertise, instructional design, best practices, and dedicated support to faculty and students.

Office of Graduate Studies
As part of EIO, the Office of Graduate Studies is committed to supporting graduate students and programs across the University, drawing on expertise in serving adult learners and those who study at a distance. This support includes planning and central office support, coordinating growth in current programs, developing new degree options, market research and environmental scanning, marketing and recruitment, and supporting the online learning environment.

Office of Transfer and Secondary School Partnerships
The Office of Transfer and Secondary School Partnerships (OTSSP) is the collaboration hub for high schools, career and technical education centers, early/middle college programs. Strategic efforts include promoting access to higher education and degree attainment through course equivalency reviews, reverse transfer, collaboration in coordinating academic transfer processes, assessment of prior learning, MiTransfer Pathway work. Opportunities for high school students to earn college credit through the FerrisNow program include dual enrollment, concurrent enrollment, early/middle college efforts, and secondary school articulation agreements. Managed by OTSSP, Ferris' Ready for Life Academy program (RFLA@FSU) serves students aged 18 to 26 with cognitive disabilities, allowing them to experience college while learning job, life, and career skills.

Community College Leadership Doctoral Program (DCCL)
The Ferris State University Doctorate in Community College Leadership (DCCL) empowers graduates to advance community colleges toward excellence and community responsiveness through exemplary leadership.

Corporate and Professional Development (CPD)
CPD connects corporations, government agencies, non-profits, and other organizations with the customized training they need to advance their industry or service areas. CPD unites faculty from multiple colleges to create a customized training solution using Ferris facilities, trainee workplaces, or other creative locations, moving today's workforce forward fast. CPD also manages Ferris summer camps' logistics, serving 2,000 kids annually – exposing them to the camp content and a future at Ferris.

FERRIS LIBRARY FOR INFORMATION, TECHNOLOGY AND EDUCATION (FLITE)

FLITE opened on March 12, 2001, as a premier research facility integrating modern technology with traditional information resources. Designed for flexibility and versatility, FLITE continues to adapt to the advancing digital age. The library provides public computers, including computers loaded with design and engineering software; wireless connectivity; seating for over 1,000 visitors and individual and group study rooms. FLITE maintains an extended-hours study area during midterm and final exam periods and a family study room for visitors accompanied with children. Students using FLITE have access to laptop computers and scanners. An assistive-technologies laboratory facilitates the learning and research of students requiring special accommodations. Seating and study places that promote both collaborative and individual learning make FLITE a popular study location on campus.

FLITE serves as a gateway to a variety of information resources available both on-site and off-campus in print and digital formats. FLITE houses a collection of more than 180,000 print volumes and provides access to 170+ online databases, reference resources, more than 300,000 electronic journals/newspapers/magazines, 14,000+ streaming videos and over 200,000 eBooks. FLITE's SmartSearch service allows users to search for information from most of these collections through a single, Google-like search box. FLITE is also a Federal Depository Library for U.S. government documents and a Patent and Trademark Depository Library. The Library's online catalogs and digital resources are available through the FLITE website at http://www.ferris.edu/library/. Interlibrary loan and document delivery services are offered to all faculty, staff and students, including distance-education students, allowing users access to innumerable resources. Faculty, staff and students can receive help using any library resource by phone, email, real-time chat or SMS text. Individual research assistance is available upon request from subject-specialist librarians.

FLITE takes full advantage of advanced technologies to expand opportunities for teaching and learning. The library contains four instructional studios equipped with 20-30 computer stations, an instructor's workstation, sound and projection equipment, TV/VCR and DVD player. All instructional studios are "smart classrooms" and include a docucam. Additional equipment such as laptop computers and wireless microphones are available upon request. The instructional studios allow librarians and other faculty to teach information-seeking and critical-thinking skills necessary to evaluate information resources. The information literacy program starts with the basics in the form of an adventurous, active-learning activity in the Ferris State University Seminar (FSUS) courses. The online tutorial PILOT (developed at FLITE) provides instruction in library use and research to classes upon request of instructors. Additionally, FLITE has seven seminar rooms of various sizes to accommodate library instruction classes, meetings and professional development activities and a Music & Media Room is available for creation of audio/visual media and to use FLITE's vinyl record collection.

FERRIS LIBRARY FOR INFORMATION, TECHNOLOGY AND EDUCATION (FLITE continued)

FLITE is also home to the Faculty Center for Teaching and Learning, the Jim Crow Museum of Racist Memorabilia, the Office of Multicultural Student Services, the Office of Research and Sponsored Programs and the Academic Literacies Center comprised of the University Writing Center and the Academic Support Center.

HOUSING & RESIDENCE LIFE

Living on campus has proven to foster student engagement and improve overall student success. Ferris State University on-campus housing provides an environment that is clean, comfortable, safe and conducive to supporting the academic mission of the University. More specifically, living on-campus enhances and completes the learning that occurs at the University.

Student growth is enhanced through exposure to other points of view, experiencing diverse populations and learning to live interdependently in a community of peers. Living with others can help residents develop coping skills and experiment with responsible decision-making in a safe environment.

A variety of housing options give students the opportunity to create the environment in which they feel most comfortable. Amenities include wired and wireless internet connections in each residence, a choice of double or single rooms and themed housing options. Washers and dryers are located in each building and are included in pricing.

Living on-campus is an educational endeavor. Our staff provides social and educational programming aimed at building cohesive communities on each floor. While our student staff is in place to assist in maintaining community standards, residents are reminded that maintaining community standards is a shared responsibility.

The apartment community at the University consists of the West Campus Apartments. The West Campus complex has 150 two-bedroom, 50 three-bedroom and 15 four-bedroom unfurnished townhouses that include a laundry facility in each apartment. They are designed to provide a neighborhood-like atmosphere for families and single students alike.

The East Campus Suites are neither residence halls nor apartments; rather, this style of on-campus housing combines the best of both worlds. Each of the three 3-story buildings is home to 100 students. Exterior doors are locked 24/7 utilizing the same card swipe access and blue light/call box phone security system as our residence halls. Each building houses 24 four-bedroom suites and 2 two-bedroom suites. Every student has their own furnished bedroom and shares a full bathroom with one other student. A furnished living room and full kitchen complement the feeling of home each suite provides. With amenities such as air conditioning, garbage disposal, wireless connectivity and more, the suites are sure to be a campus favorite for generations to come.

Accessible residence halls, townhouses and suites are available for students with special needs.

Learn more of what the Office of Housing & Residence Life has to offer online at http://www.ferris.edu/housing.

INFORMATION TECHNOLOGY (IT SERVICES)

Information Technology Services (ITS) is responsible for planning, management and direction of technology initiatives in support of both academic and administrative operations at Ferris.

ITS department works collaboratively with members of the campus community in providing the technology services that directly align with the University's mission to prepare students for successful careers, responsible citizenship and lifelong learning. ITS provides a diverse set of technology services including development, monitoring and maintenance of the campus data network, telephone system, computer systems and servers, computer labs, smart classrooms and desktop and end-user computing.

ITS department is comprised of 4 major units that provide a variety of services to the students, faculty, staff and Ferris affiliates. The IT Solution Center (previously known as TAC), Enterprise Application, Architecture Services, Network Services and Information Security. The IT Central office is compromised of the budget office, administrative support and CIO in support of the ITS goals and mission.

The IT Solution Center is the first point of contact for all technology related assistance and support to students, faculty, staff and University affiliates. Customers can contact the IT Solution Center via phone, chat or the self-service portal hosted on the Ferris IT site (www.ferris.edu/it) along with information regarding University hardware, software and services provided.

IT Solution Center installs and manages the desktops and software packages across the University located in classrooms, computer labs, meeting areas and faculty/staff offices. IT Solution Center supports smart classrooms across the campus that have specialized audio/visual equipment to aid instruction, issues cell phones to faculty and staff upon departmental approval and supports cable television across Ferris.

The service desk is the IT walk-up area located on the first level of the David L. Eisler Center (UCB-108). IT Solution Center repairs personally owned computers at a nominal charge for students and employees. ITSC also participates in fall and spring classes start up through the iConnect program to support students to start their classes.

Architecture Services maintains and supports the enterprise servers for the University. Architecture Services architects and configures approximately 200 servers ensuring timely and reliable access to enterprise computing resources. They maintain and manage the University data centers that host most of the enterprise applications, telecommunications and network servers. Architecture Services also supports many hosted/cloud solutions used across the University and internally hosts the department applications.

Enterprise Applications maintains and supports the enterprise servers for the University. The primary enterprise applications include Banner, the University's records system; MyFSU, the campus portal system; Argos, the University's enterprise reporting tool and FERRISGO, the University's mobile app. EAIS offers services focused on process automation to increase efficiencies in existing applications and ensure successful outcomes.

The Network Services team develops, installs and supports the high-speed communications infrastructure for the University's computers and multi-media devices across the Ferris Statewide network. They evaluate and invest in the appropriate hardware and software to provide wired and wireless network in assisting the campus community. Network Services administers and configures the Microsoft Telephony system as well as the campus firewalls.

Information Security Team works with members of IT, leaders and users throughout the Ferris community to ensure IT system security aligns with the goals of the University. The Information Security team is instrumental in the development, delivery and maintenance of information security systems to safeguard the University's data, information assets and the supporting infrastructure against unauthorized use, disclosure, modification, damage or loss utilizing Mobile Device Management and encryption. Our information security services include the implementation of IT security methods and remediation, monitoring of IT security related events, threat and vulnerability management and security incident response services. Information Security promotes a safe and secure operational environment through assessment and hardening of systems. The team coordinates and communicates security related information to the University community and educates end users through various training opportunities. Ongoing assessments identify confidential, proprietary and sensitive information resources to determine appropriate use and access and to employ measures to protect the resources from unauthorized access and/or disclosure.

The IT Central Office or the office of the CIO coordinates administrative operations for the IT department. The office facilitates IT procurement for the University which includes hardware and software applications. The office also provides oversight for IT student employment.

INTRAMURAL AND RECREATIONAL SPORTS

Annually, more than 3,000 students participate in organized recreational sports activities, including extensive intramural and club sport programs. Other students participate in informal recreation activities. Ferris provides ample facilities for athletics and recreation, including a newly remodeled Student Recreation Center with pool, weight room, basketball and volleyball courts and an indoor track. You can also find a golf course, a sports complex including full and half-size ice rinks, additional basketball and volleyball courts, racquetball courts and indoor and outdoor tennis courts on campus.

KENDALL COLLEGE OF ART AND DESIGN OF FERRIS STATE UNIVERSITY

HISTORY OF KENDALL COLLEGE OF ART AND DESIGN (KCAD)

The roots of KCAD lead back to 1928 and Helen M. Kendall, the second wife of nationally known Grand Rapids furniture designer David Wolcott Kendall. In her will, Mrs. Kendall established the David Wolcott Kendall Memorial School to continue her husband's legacy of creativity, education and innovation. The school opened its doors on March 1, 1931, with a total enrollment of 35 art students at 145 Fountain Street, in an area known as Heritage Hill. The school outgrew this location and in 1961 established a new campus at 1110 College Avenue NE. In 1984 as enrollment continued to grow, the school expanded its program offerings and sought a larger campus location in the heart of downtown Grand Rapids at what is now 17 Fountain Street

In 1996, KCAD and Ferris State University embarked upon a four-year process of affiliation that culminated in a complete merger in the 2000-2001 academic year. The merger was attractive to both schools, offering a partnership of art, design and technology that would optimize both schools' strengths, enhance educational offerings to students and further expand Ferris' presence in Grand Rapids.

In the early 2000's, KCAD began the process of acquiring and renovating the Historic Federal Building at the corner of Pearl Street and Division Avenue in downtown Grand Rapids, but it wasn't until the fall of 2012 that the building's LEED-certified remodeling was revealed to the public. All the building's historical aesthetics were preserved, while the interior was outfitted to meet the demands of 21st century.

MISSION

As a college within Ferris State University, Kendall College of Art and Design prepares students for leadership in design, the visual arts and art history; provides innovative, collaborative education that fosters intellectual growth and individual creativity and promotes the ethical and civic responsibilities of artists and designers, locally and globally.

VISION

As an innovator in art and design education, KCAD will cultivate a student-centered learning community that fuels the economy and transforms culture with creative leaders and critical thinkers applying global perspectives.

KENDALL COLLEGE OF ART AND DESIGN OF FERRIS STATE UNIVERSITY (continued)

VALUES

Student-Centered Learning
KCAD will focus on supporting the whole student through life-long learning, removing barriers to education and increasing professional preparedness.

Diversity and Inclusion
KCAD values a diversity of people and beliefs, promoting an inclusive, welcoming, supportive and open campus for all. Learn more about Diversity, Equity and Inclusion at KCAD.

Academic Excellence
Through the combination of intensive classroom learning, faculty and staff development, real-world experience and internal resources, KCAD strives to educate students who solve problems, think critically and achieve their aspirations.

Collaboration
KCAD fosters strong connections both within the institution and in the external community to create a depth and breadth of opportunities for students.

Ethical and Sustainable Community
KCAD understands the critical need for financial, social and environmental sustainability. We also uphold the values of integrity, civility and respect for the KCAD community.

OFFICE OF MULTICULTURAL STUDENT SERVICES

The Office of Multicultural Student Services (OMSS) promotes the intellectual understanding and appreciation of diversity, inclusion and social justice by creating opportunities for learning and leadership development for the campus community. In addition, the office provides meaningful support to assist in the transition, retention and graduation of underrepresented student populations.

As students matriculate through Ferris, the OMSS staff is committed to supporting students through five pillars of service:

Advocacy - OMSS makes every attempt to ensure that our students' college experiences are fair and as rewarding as possible by providing meaningful support.

Leadership Development - Through the Black Male Empowerment Network, OMSS provides development opportunities for women of color and black men to learn and develop important transferable skills that will assist them in becoming leaders on campus and in their future careers.

Mentorship - OMSS staff provides one-on-one guidance to students and organizations to encourage growth and development and to help them make healthy choices socially and academically.

Cultural Awareness - OMSS sponsors a variety of programs, guest speakers and discussions to engage the campus community and facilitate student learning as it relates to multiculturalism and inclusion.

College Access - OMSS spreads awareness and creates a college-going culture to prospective middle and high school students through the federal and state funded MI GEAR UP/KCP College Day Program.

OMSS coordinates many cultural awareness events throughout the year, listed are just a few: Black Student Welcome, Conversations on Race, Open House, Hispanic Heritage Month Celebration, Native American Heritage Month Celebration, Dr. Martin Luther King Jr. Celebration, Black History Month Celebrations, Women's History Month Celebration, Asian American/Pacific Islander History Month Celebration, Pignic and OMSS Multicultural Graduate Recognition Program.

RETENTION AND STUDENT SUCCESS

Retention and Student Success (RSS) supports the academic experience providing academic programming through the Associate Degree in Community Leadership, the Associate Degree in General Studies, as well as services and resources to aid teaching, learning and timely progress to degree completion. RSS also actively contributes to the institutional culture and programmatic efforts aiding students' transition to the University community.

STUDENT AFFAIRS

The Division of Student Affairs is committed to creating a campus environment that promotes student learning and positive, healthy and safe living experiences. This is accomplished through a variety of programs, services and activities for students through the following areas: Admissions, Birkam Health Center, Career and Professional Success, Commencement, Enrollment Services, Financial Aid, Institutional Research and Testing, LGBTQ+ Center, Office of Multicultural Student Services, Personal Counseling Center, Registrar's Office, Student Activities, Student Conduct, Student Employment, Student Life, Title IX Office, David L. Eisler Center, University Recreation, Veterans' Resource Center and the Vice President's Office. These areas contribute to the institution's mission of preparing students for leadership and involvement in an increasingly diverse, technologically sophisticated and complex global society by offering a broad range of programs, activities, professional development and leadership opportunities.

STUDENT EMPLOYMENT

The Student Employment Office is in the Timme Center for Student Services. Its goal is to assist students in finding part-time employment that will provide income while attending Ferris, as well as help them learn transitional skills that will benefit them upon graduation. There are over 2,000 student employees on campus every year. In addition to helping students find jobs on campus, Student Employment offers off-campus job postings for area businesses. The Office participates in the Federal Community Service Work Study Program that allows students to work in community-based positions in the area such as at the local food pantry, as a reading tutor for local students or at the local recycling center. More information on Student Employment can be found at http://www.ferris.edu/HTMLS/admision/financialaid/employment/index.htm.

Having a part-time job while going to school is a great way for students to interact with others, learn valuable job skills and earn some spending money to keep student loans to a minimum.

FERRIS BUILDINGS AND POINTS OF INTEREST

Alumni Building (1929) - The oldest building on campus and the only building to survive the fire in 1950, the Alumni Building houses the University Archives. Classrooms for the College of Arts, Sciences and Education are also in this building, as well as the office of Ferris State University TORCH student newspaper.

Arts and Sciences Commons (1996) - This building houses The College of Arts, Sciences and Education faculty and administrative offices, Retention & Student Success faculty and administrative offices, the Educational/Career Counseling and Disabilities Services offices, the Transfer Services Center, the Shimadzu Core Laboratory for Academic and Research Excellence and the Card/Riley Wildlife Education Center. The building also features "The Visionary," a mural - one of the largest of its type in the world - depicting the history of FSU. The Arts and Sciences Commons structure connects the Science and Starr Buildings.

Automotive Center (1956) - The Automotive Center (formerly Trade and Industrial Center) comprises the instructional and lecture facilities for Automotive Services, Automotive Management and Automotive Engineering Technology.

Birkam Health Center (1959) - This building houses the Birkam Health Center as well as the Personal Counseling Center to provide a wide variety of health care and mental health services. It is also the home to the Ferris Youth Initiative, our Collegiate Recovery and Wellness Center (CREW) and the Anti-Violence Alliance (AVA).

Business Building (1970) - The College of Business houses regular and team-based classrooms and computer labs (Mac, PC, Networking, Security and Imaging & Media Production), as well as administrative and faculty offices. The facility also includes an auditorium that accommodates more than 200.

Creative Arts Center (1965) - This building houses the studios, classrooms and faculty offices needed for the Studio Arts in the College of Arts, Sciences and Education.

David L. Eisler Center (2015) - The DEC provides a wide variety of services and activities to meet the needs of students, faculty, staff and guests of the university. The center offers an updated any time dining service with a retail component, Starbucks Coffee Shop, Ferris Outfitters & MyBulldog Service Center, Fine Arts Gallery, First Lady's Attic, several multi-purpose meeting rooms, a ballroom, commuter lounge and study lounge with computers and printing capabilities. Also, there are several lounges that provide comfortable areas for studying, relaxing and social engagement. Offices for student organizations include the Student Government of FSU, Entertainment Unlimited (programming board) and Veteran's Association. On the administrative side, the offices include the Dean of Student Life, Office of Student Conduct, Center for Student Involvement, Career and Professional Success, Catering Services, University Center, Veteran's Support, LGBTQ+ and TAC IT Solution Center.

Ewigleben Sports Complex/Ice Arena (1974) - This building is comprised of two indoor ice rinks and a recreational wing with facilities for intercollegiate hockey, recreational hockey and skating, basketball and volleyball, all completed in 1975. An addition completed in 1981 includes fitness and sports medicine facilities and a volleyball arena. The Ice Arena underwent a $3.3-million-dollar renovation project in the Summer of 2008. New piping and chiller system were installed, along with new concrete floors in both ice surfaces. Additionally, all new boards and tempered glass were added, along with upgrades to all of the locker rooms. The new "Bulldog Media/Meeting Room" was added in 2014.

Ferris Library for Information, Technology and Education (FLITE) (2001) - Located in the heart of the main campus, FLITE features a variety of work and study spaces, including an information commons, four instructional studios, seven seminar rooms, 49 individual and group study rooms, a reading room, an extended-hours study area during midterm and final exam periods and the Faculty Center for Teaching and Learning (FCTL) Learn Lab, all with wireless access capability. The building has a total seating capacity of 1,300 with access to 150 computers as well as laptops that can be checked out and used throughout the building. FLITE librarians teach instruction sessions at FLITE and in Ferris classrooms. Additionally, FLITE librarians bring library instruction to Ferris students around the state through face-to-face instruction and online through videoconferencing. FLITE is a U.S. Government Documents Depository, a Patent and Trademark Depository Library for Western Lower Michigan and a depository for the U.S. Bureau of the Census. FLITE is the home to several other university departments including the Faculty Center for Teaching and Learning, Media Production, the Office of Multicultural Student Services, the Jim Crow Museum of Racist Memorabilia, the Office of Research and Sponsored Programs and the Academic Literacies Center comprised of the University Writing Center and the Academic Support Center.

First Lady's Attic (2009) - Ferris State University is committed to providing opportunities for its students, including the chance to get professional clothing for a class presentation, internship or job interview. This is accomplished through the First Lady's Attic, a facility where Ferris students can receive professional outfits free of charge—and the clothes are theirs to keep. The First Lady's Attic, located on the lower level of the David L. Eisler Center, ensures that all Ferris students are dressed appropriately for success. The First Lady's Attic accepts professional clothing donations from alumni, staff and community members. The Diversity, Inclusion and Strategic Initiatives Office manages the Attic. For more information, please visit http://www.ferris.edu/flattic/.

G. Mennen Williams Auditorium (1961) - This facility houses FSU's theater production area and serves as a major multipurpose auditorium for the FSU campus. With seating for 1,644, Williams Auditorium hosts musical, dramatic, cultural and convocation events throughout the year. It also is available for public rental use when scheduling allows.

Granger Center for Construction and HVACR (2003) - The Granger Center for Construction and HVACR continues as a state-of-the-art facility - an interactive learning center where all structural steel, process piping, mechanical systems and electrical systems are exposed and, where appropriate, accessible to students. The Center focuses on both theory and application. Its laboratory facilities provide a practical, "hands-on" experience using an extensive array of sophisticated up-to-date equipment devoted to testing and solving problems students are likely to encounter in the field.

Hagerman Pharmacy Building (1972) - Designed to support all on-campus operations of the College of Pharmacy; this building includes specialized instructional spaces, state-of-the-art Anderson Family Sterile Compounding Laboratory, 4-room simulation suite and the Rowe Pharmacy Care Clinic. It also has a historical pharmacy exhibit.

Heavy Equipment Center (HEC) (1987) - This 53,000-square-foot building accommodates students in the 2- and 4-year Heavy Equipment Technology programs. The HEC building is the largest facility in the country dedicated to educating and training graduates for entry into the heavy equipment industry workforce. Additionally, it is home to the Heavy Equipment Service Engineering Technology B.S. Degree, the only one of its kind in the U.S.

Interdisciplinary Resource Center (IRC) (1969) - This building contains one large lecture hall seating 120, five classrooms with state-of-the-art teaching technology seating 30-50, television studios, the Center for Latin@ Studies and the Office of International Education. The IRC is connected to the College of Business building and features an Erbert and Gerbert's Sandwich Shop in the heart of a comfortable area where students can gather, study and relax between classes.

Jim Crow Museum - The Jim Crow Museum is a national and international resource for individuals and groups interested in learning more about race, race relations and racism. Located in the lower level of FLITE, the museum is this nation's largest publicly accessible collection of racial- and segregation-based artifacts. The museum is FREE to the public and features six exhibit areas—Who and What is Jim Crow, Jim Crow Violence, Jim Crow and Anti-Black Imagery, Battling Jim Crow Imagery, Attacking Jim Crow Segregation and Beyond Jim Crow. The museum also offers a comprehensive timeline of the African American experience in the United States. The timeline is divided into sections: Africa before Slavery, Slavery in America, Reconstruction, Jim Crow, Civil Rights and Post Civil Rights.

Regular hours are Tuesday through Friday from 12-5 p.m. To schedule a group tour, call (231) 591-5873 or at jimcrowmuseum@ferris.edu. Please refer to the calendar of events for availability. Visitors to the Jim Crow Museum are prohibited from photographing or video recording any portions of the museum. Exceptions to this policy can be made at the sole discretion of museum staff and might include special events, scholars who have arranged in advance of their visits and credentialed members of the press. Note: Because many of the museum's artifacts and media pieces contain explicit images of violence, nudity, offensive language and other mature themes, the museum is recommended for those 12 years of age and older.

Katke Golf Course (1974) - This course offers 21 holes of championship golf. The original 18-hole course is a par 72 measuring 6,967 yards from the Black tees, 6,317 from the Crimson tees, 5,648 from the Silver tees and 4,752 from the Gold tees. Katke also features a "Family Tee" for juniors and new golfers. The D.O.G. Tee, or *Developing Original Golfers* Tee, allows new golfers the ability to play with more experienced players.

Katke's award-winning practice facility features three regulation holes (#19, #20 and #21), 100,000 square feet of natural grass teeing space, six target greens, a short game area for pitching, chipping and bunker play and multiple putting greens.

The Ken Janke Sr. Golf Learning Center provides a learning environment for students, members and guests, featuring four Trackman Simulators, three heated hitting bays for simulated golf and weekly league play. The center also houses "The Michigan Golf Hall of Aame".

The Katke Clubhouse sits atop the highest point in Mecosta County with excellent views of the county to the west and of the FSU Campus to the east. The clubhouse provides full-service amenities including a fully stocked Golf Pro Shop, men's and women's locker rooms, Founders Grille, which features a variety of food and beverage options and a Multi-Purpose Room with seating for up to 50 guests, perfect for business meetings or small parties.

PGA Professional Staff is available daily, providing all the needed services for golf-outing events, tournament needs, golf instruction and clinics and custom club fitting. The golf course is conveniently located adjacent to the Holiday Inn Hotel and Conference Center.

McKessy House (1989) - McKessy House, resembling an Old English cottage on Cedar Street, north of Williams Auditorium, was purchased by Ferris State University in 1989 as a result of a generous gift from Gerald McKessy, a 1929 graduate of Ferris's college-preparatory program who went on to graduate from the Detroit College of Law in 1933. Mr. McKessy was a charter member of the President's Club, a Board of Directors of the Alumni Association and a recipient of the Distinguished Alumnus Award in 1971 for the generous donation of his time and talents to Ferris State University. Mr. McKessy donated stock, the proceeds of which were used to buy the house, storage barn and two acres that are now utilized as parking and additional Arts and Sciences classroom space. Mr. McKessy's gift also made it possible to remodel the house, which is currently occupied by the Office of the Vice President and General Counsel. This division is responsible for legal affairs, equal opportunity and labor relations.

Michigan Art Walk (1996) - The Michigan Art Walk on the Ferris State University Campus is a collection of paintings and sculptures of original artwork created by Michigan artists. The works have been installed throughout campus in public areas. The inaugural sculpture of the Michigan Art Walk, by Ann Arbor-based artist Barron Naegel, was installed in the fall of 1996. Also installed in the fall of 1996 were a wall sculpture by Daniel Roache, under the auspices of the Presidential Art Collection, and the main panel of Robert Barnum's "The Visionary," which depicts the history of Ferris State University. The unveiling of "Escape," an outdoor sculpture by R. Farrington Sharp, on October 17, 1997 continued the project, along with the side panels of "The Visionary" which were unveiled on February 20, 1998, completing Barnum's triptych. "Totem Stack," a sculpture by Ferndale artist Albert Young, was unveiled on May 7, 1998. "Muse" by Irina A. Koukhanova, was dedicated on November 19, 1998, and sculptor Fritz Olsen's "Ripples" was unveiled November 19, 1999. Lois Teicher's functional piece, "Bench with Three Deep Seats," was dedicated on June 14, 2000. "Ferris Arch," a limestone sculpture by Kenneth Thompson, was dedicated October 10, 2001. Mark Chatterley's "Journey to the Body Collective," a flying wall sculpture located in the reading room at FLITE, was dedicated on October 29, 2002. Robert Barnum's "Of Thought and Reason," a 130-foot-long, 10-foot-tall painting on canvas located in FLITE's Extended Study Area was unveiled on August 28, 2003. Ray Katz's "Celebration," a large-scale metal sculpture, was unveiled September 3, 2004. The "TO STRIVE, TO SEEK, TO FIND" sculpture is dedicated to the 125th anniversary of FSU. The sculpture was created in a partnership between Ferris Fine Arts and the campus Welding Engineering Technology Program and was funded under the FSU Festival of the Arts. Important comments, quotes or sayings about Ferris are cut into the figure from support plates redefining viewer response and increasing level of content. The Art Walk pieces, along with information about the artists, can be viewed at https://ferris.edu/artwalk/homepage.htm.

Michigan College of Optometry – One of the twenty-five North American institutions to offer the Doctor of Optometry (OD) degree, Michigan College of Optometry occupies a state-of-the-art 87,000 square foot building that was the University's first to earn Leadership in Energy and Environmental Design (LEED) Gold certification. The first floor of the building is home to the University Eye Center, providing full-scope and specialty eye health, vision and interdisciplinary care for patients from the community and around the state. The Dow Interactive Eye Learning Center on the third floor has 40 fully equipped examination lanes for students to learn and practice their skills as a future Doctor of Optometry. The classrooms and seminar rooms on the second floor contain modern, modular learning and study spaces.

Music Center (1962) - The Music Center is in the heart of the campus at the foot of the Carillon Clock Tower, between the FLITE Library and the Top Taggart Field football stadium. The Music Center features two large rehearsal rooms for several musical ensembles offered to students and community members. These musical groups include the Concert Band, Symphony Band, Summer Band, Pep Band, Jazz Band, Chamber Orchestra and Concert Choir. These large rehearsal rooms are equipped with state-of-the-art video and sound technology for instruction of a large variety of general education music courses available to all students, such as Music Appreciation, American Pop Music, Music Fundamentals, Music and Culture and Music in Film. There are also three practice rooms, each equipped with an acoustic piano, that are available to all students for individual and small group practice. A keyboard lab, with 15 full-sized digital pianos, provides state-of-the-art instruction for beginning piano classes. Music faculty offices are also located in the Music Center.

National Elastomer Center for Plastics and Rubber Technology (1987) - The Ferris Plastics and Rubber program is one of the largest and most respected undergraduate programs of its kind in the United States. The Plastics B.S. program was started in 1982 and continues to fill a great need in the growing plastics industry for technically trained personnel. Ferris graduates gain immediate status as recognized technical leaders. This innovative program provides students with a background that includes topics such as processing, material testing and properties and mold and product design. Classes emphasize hands-on learning, using the same type of equipment that is currently used in the industry. The plastics building was expanded in 1998 and renamed the "National Elastomer Center" to include educational space for the new rubber degrees. The rubber program is a unique educational experience with graduates being sought after by the rubber industry. Coursework follows the original plastics degree in processing, testing and design, but also includes rubber compounding. The plastics and rubber industry have shown support for the Ferris programs by sponsoring the construction of the Plastics Building in 1987 and the expansion in 1998 with funding for equipment and supplies, providing job experience by employing our students for summer internships and hiring our graduates.

Presidential Art Collection (1996) - Daniel Roache was chosen as the first contributor for a collection featuring commissioned works by Michigan artists honoring Ferris presidents. His aluminum, wall-mounted sculpture representing the seven (at that time) academic colleges hangs in the Williams Auditorium lobby. A bronze bust of President Byron Brophy by Midland sculptors James S. Hopfensperger and Joan Hopfensperger was dedicated on April 30, 1999. It is on display in the Ferris Library for Information, Technology and Education (FLITE).

Quad Café (2015) - The Quad Café includes eight different All-You-Care-To-Eat stations where cooks prepare fresh food. The Quad Café offers a variety of seating arrangements that include small individual areas as well as family-style seating, most with an outstanding view of the Robinson Quad. The Meal X-Change allows meal plan participants the opportunity to use one of their unlimited meal swipes for a quick meal to go.

Catering- The award-winning Catering Division is located in the David L. Eisler Center. Conferences, meetings, receptions and banquets can be hosted with customized menus. For more details call (231) 591-3685.

Racquet Facility (acquired in 1980) - The facility offers four indoor hard tennis courts, ten outdoor hard courts, two indoor racquetball courts/wallyball courts, cardiovascular and strength training equipment, free weights, fitness classes, functional training space, tennis lessons, tennis/pickleball clinics and league programs, rental equipment and a full-service tennis pro shop. This facility serves intercollegiate athletes, the club tennis team, faculty/staff, students and the general public. It also includes a dry sauna in each locker room.

Rock Café (2008) - The Rock Café incorporates European-style marketplace décor where cooking aromas, product freshness and abundance are prevalent. An emphasis is placed on food merchandising and includes casual café-style seating. Marketplace concepts also referred to as Marché Concepts or Food Emporiums, are the new generation in student dining. A marketplace concept provides an integrated food production and dining experience with an emphasis on fresh ingredients and made-to-order preparation. It is characterized by exhibition cooking at several distinct food platforms. Students today want an element of entertainment with their dining experience, a concept we call "Eatertainment." A marketplace concept offers this as the food becomes the "star" and the staff is on "stage."

Science Building (1956) (Remodeled and expanded in 1967 and completely renovated in 1997) - This building provides teaching auditoria, classrooms and science laboratories for the College of Arts, Sciences and Education, as well as the Rawlinson Observatory, John and Rhea Smith Greenhouse and Reitz Reading Room.

Starr Building (1961) (Renovated in 1995, with frequent upgrades) - Students now enjoy state-of-the-art instructional equipment, multimedia labs, study rooms and lounges. It is FSU's largest general classroom building and, in addition to the classrooms, houses the Museum of Sexist Objects, Bulldog Radio and the Office of Transfer and Secondary School Partnerships.

Student Convocation Center/Wink Arena (1999) - This 42,000-square-foot facility, located adjacent to the Ewigleben Ice Arena, seats 2,400 and includes prime sections of chair-back seating. The building complex features an expanded lobby that adjoins the Ice Arena with a pro shop, concession stands and a display for the Bulldog Hall of Fame. This center serves as the home for the FSU men and women's basketball programs and is used for commencement ceremonies, major concerts and special events.

Student Recreation Center (1998) (Renovated in 2018) - The former HPE/Wink Arena building was remodeled and reopened August 30, 1998. The facility gives students, faculty, staff and community members a modern gymnasium, weight room, aerobic rooms, exercise machines, elevated track, 40-foot climbing wall and an indoor swimming pool.

Swan Technical Center (1966) (Completed renovation in 2018) - This building contains many classrooms and laboratories designed specifically for engineering and engineering-technology instruction. The building contains a large lecture hall in addition to the classrooms and laboratory spaces for the Architecture, EET/CNS, Manufacturing, Mechanical, Product Design and Welding programs.

Timme Center for Student Services (CSS) (1967) (Renovated 2002) - As the official "welcome center" for the University, the Timme Center for Student Services (CSS) serves as a one-stop service center in which students can register for classes, obtain financial aid and housing information, request transcripts, pay bills and inquire about student employment opportunities. Highlights of Timme CSS include a glass atrium that extends the full height of the eastern side of the building and a second atrium facing State Street, providing natural sunlight and openness for the building. Formerly the campus library, the Timme CSS is a place of diversity, art, history and service. The first floor houses the Financial Aid, Student Financial Services and Student Employment offices; the offices of Admissions, Registrars, Enrollment Services, Academic Senate and Institutional Research are on the second floor. The third floor features a display of Ferris historical memorabilia, as well as houses the offices of the President, Provost & Vice President for Academic Affairs, Vice President for Student Affairs, Vice President for Diversity, Inclusion and Strategic Initiatives, Budgetary Planning and Analysis and Testing. The carefully chosen combination of offices and services provides a wonderful welcome to all constituents in the middle of campus.

The Early Learning Center (1987) - The Early Learning Center is located on the first floor of Bishop Hall. The center is a nationally accredited educational learning center providing programs for children of FSU students, faculty and staff. The Early Learning Center also serves as a laboratory setting which facilitates hands-on experiences for Ferris students preparing for future careers in education.

Victor F. Spathelf Center for Allied Health (1979) - This four-level structure contains the Dental Hygiene Clinic, specialized classrooms, laboratories and offices for the students, faculty and administration of the College of Health Professions.

NCAA Graduation Rates

Federal Graduation Rate (FGR)

Cohort Year	2010/11	2011/12	2012/13	2013/14	2014/15	2015/16
Federal Graduation Rate (FGR)	46%	55%	62%	57%	53%	57%

Federal Graduation Rate (FGR): Federally mandated calculation for all schools that offer athletic scholarships. Counts all transfers as academic failures, so essentially measures the percentage of students who complete a BA/BS from their initial school within six years.

DI Graduation Success Rate (GSR)

Cohort Year	2010	2011	2012	2013	2014	2015
DI Graduation Success Rate (GSR)	100%	95%	89%	87%	87%	N/A

Graduation Success Rate (GSR): Division I rate that accounts for transfers in/out. Also tracks graduation over six years. In addition to accounting for likely transfers in/out, the GSR also includes mid-year enrollees and non-scholarship athletes at Division I schools that do not offer athletics scholarships.

DII Graduation Success Rate (ASR)

Cohort Year	2010/11	2011/12	2012/13	2013/14	2014/15	2015/16
DII Academic Success Rate (ASR)	58%	62%	62%	65%	66%	65%

Academic Success Rate (ASR): The Division II Academic Succes Rate (ASR) is calculated in much the same way as the Division I GSR. The primary difference is: The ASR includes all non-scholarship freshmen ("walk-ons"), whether or not the school or squad offers aid does not matter, and as a result, the ASR counts about 50% more student-athletes than the federal graduation rate.

MS (MPH, MHA, MSN)

In Fall 2019, Health Professions went through a reorganization: "Clinical Lab, Respiratory Care & Health Administration" and "Dental Hygiene & Medical Imaging" merged into three departments: "Dental Hygiene & Public Health", "Diagnostic, Lab-Therapeutic Science" and "Health Administration & Health Information". Nursing remained the same. (Reflected here in Degrees Conferred beginning 2020-21).

The following definitions are used in determining racial/ethnic designations:

American Indian or Alaskan Native:
A person having origins in any of the original peoples of North and South America (including Central America), and who maintains cultural identification through tribal affiliation or community attachment.

Asian:
A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American:
A person having origins in any of the black racial groups of Africa.

Hispanic or Latino:
A person of Cuban, Mexican, Puerto Rican, Central or South American, or other Spanish culture or origin, regardless of race.

International:
A person who is not a citizen of the United States, and who is in this country on a temporary basis and does not have a right to remain indefinitely. (Prior to 2015, International Counts were reflected in the actual race/ethnicity, to keep consistent with State/Federal reporting the counts are now reflected in "International").

Native Hawaiian or Pacific Islander:
A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White:
A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.
