

FERRIS STATE UNIVERSITY

COLLEGE OF ARTS, SCIENCES AND EDUCATION

STUDENT'S LIABILITY / MEDICAL RESPONSIBILITY

Field Placement Office

Liability Coverage

Ferris State University's legal liability insurance includes coverage for our students during field experiences and student teaching for an academic program. The student must be registered. This coverage does not include activities outside of field experiences or student teaching or acts that violate the law, university and/or school policies. Students may choose to purchase additional personal liability coverage, as well.

Medical Coverage

It is strongly recommended that students have individual health/medical coverage during all field experiences and student teaching. Because these assignments are non-paid positions, there is no worker's compensation. In the event of an incident requiring medical attention, students are responsible for all medical costs. Ferris State University and/or the host school will not be responsible any for medical costs. Students may contact Birkam Health Center for affordable health/medical insurance at (231) 591-2614 or email BirkamHC@ferris.edu.

The Student's Release of Information and Student's Liability/Medical Responsibility releases will be valid until the completion of your program.
