SP23 Academic Summary - Elementary

Please Type. Using MyDegree and your current transcripts, list the courses you are required to take in each content area. *Note the status of each course, such as: grade, transfer credit, proficiency tests, work in progress or semester planning to take (i.e. fall 2023, etc.). Using the [FSU GPA calculator](#), calculate your GPA for each content area. **Note:** This is an editable form. Add lines to each section as needed. Upon completion, delete instructions and examples in red. If you do not see the concentrations listed in My Degree, this means you need to contact Dr. Ing to officially declare them. You can [click here](#) for a checksheet that will allow you to view the courses needed in the concentrations so that you can complete this summary if you cannot see them in MyDegree.

Major in Elementary Education:

GPA: (i.e. 3.5)

Course Prefix and Number (i.e. Math 218)	Course Title (i.e. Math for Elementary Teachers)	*Note Status (i.e. grade, semester, transfer credit [NMC], etc.)
