

Measure 4: Ability of completers to be hired in education positions for which they have been prepared.

In the 2019- 2020 academic year, Ferris graduated 63 students. Data from the Michigan Department of Education effectiveness ratings shows 164 Ferris State University completers were employed and rated during their first year of teaching. Upon review of the data, all completers employed were teaching in the area in which they were prepared. Review of the students who completed the Ferris program and the effectiveness data shows that all 63 graduates were employed during the 2020-2021 academic year. The data shows that completers were hired in positions for which they were prepared.
