Students should have individual medical coverage during all field experiences and student teaching. In the event of an incident requiring medical attention, students are responsible for all medical costs. Ferris State University and/or the host school will not be responsible for medical costs. Students may contact Birkam Health Center for affordable medical insurance.

All placements are arranged at the discretion of the Field Placement Coordinator: you may NOT arrange your own placement. Schedule a time to discuss placement options with the Field Placement Coordinator. Every attempt will be made to place pre-student teachers as close to campus as possible. However, be prepared as extended travel may be necessary. (Relatives employed or attending in a school or strict? Notify the Field Placement Coordinator. Refer to policy in the Pre-Student Teaching Guide.)
