

Language Course Placement at Ferris
Did you study Spanish or French in high school?

If so, take the **free** WebCAPE self-test **today** to check your skills for placement in the correct level Spanish or French class. This can save you time and money, as well as help you gain advanced skills in a language you already started.

To take the WebCAPE test:

1. Go to **<http://bit.ly/2LLUjUf>**
2. Follow the onscreen instructions to create a WebCAPE user account.
3. Sign in using your account email and password.
4. Choose one of the available tests (French or Spanish) and click **Take Test**.
5. Follow the onscreen instructions to answer the test questions.
6. When you're done, click the **See Score Report** button to interpret your score.

WebCAPE score		Years of High School Language Courses	Course you should take:
0-159	and	0-2 years	SPAN/FREN 101

If you need registration help or advice, contact your orientation registration advisor or the relevant language coordinator:

Coordinator	Email	Office	Phone
SPANISH – Dr. Lucero Flores-Paez	LuceroFlores-Paez@ferris.edu	ASC 3034	231.591.3627
FRENCH – Dr. Dan Noren	DanielNoren@ferris.edu	ASC 3060	231.591.5881

Note: If you already have **AP, CLEP, or IB** credits in French or Spanish, you may skip the WebCAPE and register for the next course in the language sequence (102, 201, 202, 301, 302) after the highest one you have credit for. Example: if you have CLEP credit for SPAN 202, you may register for SPAN 301 or another 300-level course. Contact your orientation advisor or the relevant language coordinator below for help choosing an appropriate course.

If you're a Spanish speaker who learned the language in your home or community, contact the Spanish Coordinator for placement in an appropriate course such as SPAN 224: Spanish for Heritage Speakers.
