Quando men vo (from La Bohème)Giacomo Puccini

Kaitlyn Priniski, soprano

When I go out alone in the street people stop and stare...
and they all study in me my beauty from head to foot.
And then I savor the subtle longing that comes from their eyes;
they know how to appreciate, beneath obvious charms, all the
hidden beauty.

Thus the flow of desire completely surrounds me;
it makes me happy!

And you who know, who remember and are melting with
passion – you avoid me so?

I know well: your sufferings – you don't want to tell them;
I know well, but you feel like you're dying!
