LYRICS TO:

“Holiday Greetings”

Deck the Halls

Deck the halls with boughs of holly,  
Fa la la la la, la la la la.  
‘Tis the season to be jolly,  
Fa la la la la, la la la la.  
Don we now our gay apparel,  
Fa la la, la la la, la la la.  
Troll the ancient Yuletide carol,  
Fa la la la la, la la la la.

Auld Lang Syne

Should auld acquaintance be forgot,  
and never brought to mind?  
Should auld acquaintance be forgot,  
and days of auld lang syne

For auld lang syne my dear,  
For auld lang syne.  
We’ll take a cup o’ kindness yet,  
for auld lang syne.

(brief musical interlude without singing; then...)

We’ll take a cup o’ kindness yet,  
for auld lang syne.

Jingle Bells

Dashing though the snow  
in a one horse open sleigh,  
O'er the fields we go  
laughing all the way;  
Bells on Bob-tail ring,  
making spirits bright;  
What fun it is to ride and sing  
a sleighing song to night!  
Oh, jingle bells! Jingle bells!  
Jingle all the way!  
Oh, what fun it is to ride  
in a one horse open sleigh!  
Jingle bells! Jingle bells!  
Jingle all the way!  
Oh, what fun it is to ride  
in a one horse open sleigh!  
HEY!

UPCOMING MUSICAL EVENTS

Be apArt ✨ Music at Ferris ✨ Music for Life!  
www.ferris.edu/music

“Music for Life!” at FERRIS STATE UNIVERSITY

Music performance opportunities at Ferris State University are designed to supplement and enrich the lives of students by assisting them in making the transition from the high school musical setting to the world of adult amateur musical ensembles. FSU students can continue to develop their musical skills and be prepared for a rewarding musical “life after college” by participating in Ferris’ musical ensembles that include both university students and members of the community – the format of the majority of community ensembles throughout the country. In this way, we aspire to *inspire* all FSU students to continue to enrich their lives and the lives of others as active performers of music – for life! Please Contact the FSU Music Center at (231) 591-2484 for more information.
