

**“MUSIC FOR LIFE!”**  
**AT**  
**FERRIS STATE UNIVERSITY**

Music performance opportunities at Ferris State University are designed to supplement and enrich the lives of students, by assisting them in making the transition from the high school musical setting to the world of adult amateur musical ensembles. FSU students can continue to develop their musical skills and be prepared for a rewarding musical “life after college” by participating in Ferris’ musical ensembles that include both university students and members of the community – the format of the majority of community ensembles throughout the country. In this way, we aspire to *inspire* all FSU students to continue to enrich their lives and the lives of others as active performers of music – for life! Please Contact the FSU Music Center at (231) 591-2501 for more information.

**THE FSU SYMPHONY BAND**

The FSU Symphony Band is sponsored by Ferris State University as part of its *Music for Life!* initiative. The FSU Symphony Band presents a series of varied and diverse concerts throughout the year. It is comprised of primarily of Ferris State University students, with potential participation by community members and talented musicians from local high school programs. Ferris students can earn credit and scholarships for their participation in the FSU Symphony Band by enrolling in Music 160. Community members and qualified high school students recommended by their directors may participate free of charge. The band rehearses every Wednesday evening throughout school year. Every summer, the band presents an outdoor concert series on Wednesday evenings as the FSU Community Summer Band, which holds rehearsals on Monday evenings in the Music Center on FSU’s main campus. We encourage and invite all experienced players of brass, woodwind and percussion instruments to join the band. Please contact Dr. Scott Cohen at (231) 591-2484 or RichardScottCohen@ferris.edu to get signed up!
