If it is determined by the College of Business Dean's Office/Student Academic Affairs that regular program admission criteria should be met in order to complete the certificate successfully and be a contributing member of the course, all college transcripts should be submitted to the Admissions Office. Once admitted, an advisor will be assigned by the College of Business in the certificate program.
- Dual enrolled/concurrent students must complete their high school degree, provide transcript, before the certificate will be granted from Ferris State University.
- Students wishing to pursue a bachelor's or associate degree must meet the admission criteria for the program. This criteria review is initiated when the "Program Change Form" request is processed through the College of Business Dean's Office/Student Academic Affairs.
