Ferris State University

One Hundred Forty-Seventh

COMMENCEMENT

Saturday, the First of May, Two Thousand Twenty-One
FERRIS FIDELITY

As constant as the Northern Star
Our faith we pledge to thee.
Our word, our bond, our oath, our trust
To you fidelity.
From the promise of the crimson dawn
To sunset’s mellow gold
Thy spirit shall prevail.
We pledge allegiance as of old
Ferris State, All Hail!

Words and Music by Graham T. Overgard
WELL DONE!

Earning a college degree is one of life’s landmark accomplishments, and the Ferris State University community could not be more proud of each and every one of its graduates.

It has been our privilege to accompany you throughout this educational journey, and the entire Ferris community is extraordinarily pleased to honor your achievement. This is just the beginning.

Ferris State University graduates boast the drive to discover, inspire and serve with a sense of purpose. You now belong to an exceptional group of Bulldog alumni—leaders in all facets of business, education, industry, health care and public service who dared to imagine more.

We are confident that, together, we have helped create a commitment to responsible citizenship and lifelong learning.

And we are thankful, because, through you, the world is about to get better.

ROOTED IN OPPORTUNITY

Recognized as a statewide leader in higher education, Ferris State University is playing a key role in the development of Michigan’s workforce, economy and communities. Our academic and professional community serves more than 11,000 students on our main campus in Big Rapids, 24 off-campus sites throughout Michigan, and at Kendall College of Art and Design in Grand Rapids.

Ferris offers more than 190 undergraduate and graduate degrees in professional and technical high-demand fields. With state-of-the-art facilities and resources, a collaborative work environment and industry advisory boards that keep us on the cutting edge of practical instruction, we help students enter the job market with an advantage.

Ferris is a welcoming community of people and perspectives from all over the United States and around the world. We are distinguished by our strong heritage of providing opportunity to all.

Ferris State is the only state university in Michigan that bears the name of its founders, Woodbridge and Helen Ferris. They opened Ferris Industrial School in 1884 to provide worker retraining following declines in the lumber and mining industries. Though inspired by the economic conditions of the day, their philosophy of combining instruction in marketable skills with a liberal arts education remains relevant today.

They lived their lives in service to others—Woodbridge as an educator, two-term governor of the state of Michigan and a United States senator, and Helen as a revered teacher who—in the words of President David Eisler during his 2003 inaugural address—"symbolizes one of the greatest strengths of our university, the caring commitment of our people."

Woodbridge and Helen believed that all students should have the opportunity to pursue a higher education if they were willing to work for it. Their goals to prepare students for successful careers, responsible citizenship and lifelong learning are part of our university’s mission today.

By its adherence to these principles, Ferris State University is recognized as a pioneer in career-oriented education and a leader in new occupational programming.

The efficacy of this distinctive educational approach is reflected in the growth of the institution over the past several decades. When Ferris became a state college in the fall of 1950, it consisted of one permanent structure, the Alumni Building, and some surplus Army barracks. Fewer than 1,000 students were enrolled, and there were less than 50 faculty members. The campus covered less than 20 acres.

Today, enrollment is more than 11,000 students and the 935-acre campus comprises 116 educational, administrative and maintenance buildings, student activity facilities and residence halls.

The educational opportunities available at Ferris are fueled by selection of credentialed and committed faculty, the special care taken in the development of curricula, a commitment to providing state-of-the-art equipment for instruction in technical areas and the use of advisory committees to keep programs in touch with the current needs of industry. The university’s concept of “laddering” enables students to build from a two-year to a four-year program according to their careers and personal goals.

Students’ social life is an extension of the classroom at Ferris, where it’s easy to get involved and be engaged by a lively schedule of athletic, cultural and recreational events. It’s where lifelong friends are made.
MISSION STATEMENT
Ferris State University prepares students for successful careers, responsible citizenship and lifelong learning. Through its many partnerships and its career-oriented, broad-based education, Ferris serves our rapidly changing global economy and society.

VISION STATEMENT
Building on the vision of our founders, Ferris State University will be an agile and transformational university. By integrating theory and practice, we will foster opportunity, discovery, and professional preparation for a dynamic global society.

CORE VALUES
Collaboration: Ferris builds partnerships within the university and the global community that promote shared goals and success.

Diversity: Ferris commits to be an inclusive university community that respects the dignity of the individual and promotes the acceptance of others.

Ethical Community: Ferris implements policies, procedures, and actions to promote transparency, advance our mission and foster integrity, civility, and respect within and beyond the university.

Excellence: Ferris dedicates itself to innovation and quality execution that sustains and promotes relevance in a changing world through best practices and benchmarking.

Learning: Ferris promotes hands-on, transformative learning; balancing theory and practice; encouraging teamwork and innovation; and emphasizing critical thinking—all are fundamental elements of career success.

Opportunity: Ferris honors the legacy of our founders by encouraging and supporting all who wish to acquire the knowledge, leadership, and communication skills that are the foundations of personal success.

Dear Graduate,

Congratulations on your graduation from Ferris State University. Today you have reached an important milestone. Receiving a college degree places you within a unique and special segment of society. You now belong to an exceptional group of individuals—Ferris State University alumni, who are leaders in all facets of business, education, industry, health care and public service.

We are extraordinarily proud of you and your achievements. On behalf of our faculty, I extend our congratulations to you on this most special of days. Like you, we understand that commencement is just the beginning of exciting and rewarding opportunities. We are confident that, together, we have helped create a lifelong commitment to discovery, learning and continued growth. When we may be of assistance to you, please call upon us.

As you enjoy this day, I encourage you to pause and thank those who have helped and supported you throughout this educational journey. It is important to remember that today’s achievement stems not only from your own efforts, but also those of family, friends, faculty, fellow students and scholarship donors.

You have now joined a learned community of more than 130,000 Ferris alumni. You and your fellow alumni are ambassadors of the University to those within their professions—employers, co-workers, clients—and to personal acquaintances. In this role you can encourage prospective students to make use of the free online application process to become students at Ferris State University. There are many, many other ways you can maintain a close relationship with your alma mater. Please keep in touch with your University and classmates through the Alumni Association Online Community at ferris.edu/alumni.

I hope you will come back and visit us often. I look forward to hearing from you. Please accept my best wishes for your continued success.

ACADEMIC REGALIA

The pageantry of commencement is a time-honored ritual dating back to ecclesiastical observances of the 12th and 13th centuries. Today’s academic regalia owes its origins to clerical garb designed to impart dignity to solemn, scholarly occasions.

The basis for the standardization of the various features of the American regalia was formed at a special intercollegiate conference held in 1895 at Columbia University. Three types of gowns are indicated by the code:

- Bachelor’s gowns have long, bell-shaped sleeves.
- Master’s gowns have oblong sleeves which drape gracefully below the knees and are open at the wrist.
- Doctoral gowns are faced with black velvet, with three bars of velvet across the bell-shaped sleeves.

Hoods worn by master’s and doctoral graduates are made of material identical to the gowns and are lined in the official academic color of the institution conferring the degree. Colored velvet or velveteen binds the hoods and indicates the department to which the degree pertains. The color of the tassel denotes the wearer’s field of academic specialization, except for the doctoral degree earner, who wears either gold or black.

CERTIFICATION OF GRADUATION

Commencement is not a certification of graduation but rather a ceremony that celebrates academic achievements. Participation in any commencement ceremony does not affirm that the graduate has satisfactorily completed all degree requirements. Degrees presented at Ferris State University commencement ceremonies are subject to satisfactory completion of specific requirements of individual degree programs of the colleges and university.

Graduates must submit their online graduation applications by the established deadline or their names do not appear in the commencement program. In order to have the program completed in time for commencement, we must adhere to these deadlines. Graduates who miss the deadline may ask their respective colleges’ commencement coordinators to place their names in the next commencement program.
DISTINCTION KEY

Honors designations are based on the accumulated average earned during all enrollment periods except for Spring Semester 2021. Students graduating with honors wear gold honor cords.

Undergraduate Degree Designations
The Latin system:

- Cum Laude 3.50 to 3.74
- Magna Cum Laude 3.75 to 3.89
- Summa Cum Laude 3.90 to 4.00

Master’s Degree Designations
Honors designations for students graduating with a master’s degree in the College of Arts, Sciences and Education, College of Business, and the College of Health Professions use the following distinction key:

- Distinction 3.75 to 3.89
- Highest Distinction 3.90 to 4.00

Doctoral Degree Designations
Students receiving their doctoral degree from the College of Health Professions, College of Pharmacy, the Doctorate in Community College Leadership and the Michigan College of Optometry use the English system:

- Distinction 3.25 to 3.49
- High Distinction 3.50 to 3.74
- Highest Distinction 3.75 to 4.00

COMMENCEMENT SYMBOLS

The Ferris State University Seal
The Ferris State University seal represents founder Woodbridge N. Ferris’ educational philosophy, which has guided the university since 1884.

The torch symbolizes enlightenment—the light of truth and knowledge, the fire of inspiration challenging each student to excel.

Opportunity and industry are the underlying principles of this philosophy and provide the graduate with guidelines to follow throughout life. Opportunity is the chance for each individual to realize his or her greatest potential. Industry is the combination of the vital qualities of diligence, perseverance and discipline.

The Mace Bearer
The office of Mace Bearer is ceremonial and is derived from medieval England, when an official taking office or opening court needed a bodyguard. In those times, the mace, a formidable weapon, was held ready to protect the person in charge. Since that time, however, it has become a symbol of office and is carried in the procession to dignify the ceremony.

A university representative known as the Mace Bearer carries the mace and leads in the presidential party. The mace is displayed on stage during the ceremony.

The university mace was created by staff of the Manufacturing Engineering Technology program for use during formal university functions.

Banners
Banners representing each of the degree-granting colleges are displayed on the stage.

ACADEMIC COLLEGES

Ferris offers the best selection of technical and professional majors in Michigan. More than 190 educational programs, from associate to doctorate, are administered through seven academic colleges with schools and departments of specialized education.

The College of Arts, Sciences and Education—the largest college at Ferris—is the place to find specialized undergraduate and graduate degrees, and enriching minors in the behavioral, biological, physical or social sciences; humanities; education; English, literature and world languages and mathematics. Its faculty-student research collaboration, robust internships and study abroad opportunities extend learning beyond the classroom. Each department/school boasts faculty who are committed to providing innovative instruction and opportunities for hands-on, minds-on experiences that will help students be the best they can be. Students graduate with a foundation for entry-level professional careers, graduate school and life-long learning.

The College of Business provides 30 distinctive academic programs that teach specialized skills in combination with business fundamentals designed to prepare graduates for a fast-paced and competitive workplace. A Leadership Advisory Board of presidents, CEOs and business leaders fuel the college’s response to changing needs of the business world. The college’s curriculum focuses on preparing its graduates for dealing with real issues as members and leaders of tomorrow’s workforce.

The College of Engineering Technology is one of the largest in the nation. The college has world-class labs and state-of-the-art equipment, made possible by ongoing financial support from its industry partners. Some of Ferris’ technology programs are one-of-a-kind in Michigan and the nation.

The College of Health Professions offers in-demand programs in a variety of specialty areas. All courses are taught by qualified, discipline-specific faculty in state-of-the-art classrooms and laboratories so students are well-prepared for clinical and internship experiences and a career providing for the health and well-being of others.

The Michigan College of Optometry is a national leader in optometry curriculum and instruction and the only doctoral-level eye care professional program in the state of Michigan. MCO doctors and student interns deliver state-of-the-art eye care to thousands of patients in the region.

Graduates of the College of Pharmacy compose more than half of Michigan’s practicing pharmacists. Graduates can be found in every type of pharmacy practice and at every level of the pharmaceutical sciences, actively engaged in discovery, dissemination of knowledge and delivery of state-of-the-art patient care.

Kendall College of Art and Design, on the Grand Rapids campus, offers graduate and undergraduate fine arts degrees as well as a Bachelor of Science degree in Art History.

BULLDOG FOR LIFE

The Ferris State University Alumni Association is your connection to campus and the network of Bulldog alumni around the world. Our mission is to generate and sustain your lifelong interest and involvement in the university’s programs and activities, and to encourage and support your commitment to the university’s mission and goals.

Many benefits are available to alumni of Ferris State, including

- A Ferris credit card
- Savings on auto, home and short-term medical insurance
- Connection to fellow alumni through our online community and email updates

We encourage you to take advantage of these services and many others available to alumni. As an alum, you can help support Ferris, too.

- Serve as an Alumni Recruiter (email alumnioffice@ferris.edu)
- Donate to a scholarship or academic program
- Post jobs and internships available at your company
- Serve on one of our programs’ industry advisory boards

For more information, visit ferris.edu/alumni.

ONGOING OPPORTUNITIES

The Center for Leadership, Activities and Career Services (CLACS) at Ferris offers free services and support to all Ferris alumni. When you look for that perfect job candidate to fill an opening, return to visit for Homecoming or need help to change careers, we are here to welcome you.

Specifically, you may attend our campus Career and Internship Fairs, as a job seeker or to represent your employer.

We also provide assistance in career planning, skills inventory, employment searches, résumé help and self-marketing on job search documents. Register on Handshake in MyFSU to post your résumé and search for employment opportunities. Employers can register with Handshake at ferris.edu/clacs to post job openings and attend campus recruiting events.
STAY CONNECTED

Come home

Join us for Homecoming festivities each fall. It’s a fun way to reconnect with college friends and show your Bulldog pride. Attend the parade, join us for a tailgate party or college reunion party, and attend the big game. Visit ferris.edu/alumni/homecoming to learn more.

Submit your good news

Ferris Magazine is published twice a year by University Advancement and Marketing for alumni and friends, employees and other key constituents. One of the magazine’s most popular features is The Buzz, a collection of class notes about new jobs, promotions and retirements, marriages and additions to the Ferris family.

Share your news and pictures with fellow alumni by emailing editor@ferris.edu or mailing it to

Editor, Ferris Magazine
Ferris State University
420 Oak St., Prakken 108
Big Rapids, MI 49307.

Please include your name, address, academic college and year of graduation, along with phone number or email address (in case we need to contact you with questions).

Share your story

- Was Ferris State your first choice among universities?
- Do you think it should be the first choice for others?
- Are you the first in your family to graduate?
- Are you excited about your first job?
- Are you about to go where no Ferris alum may have gone before?

Take to social media to tell us about it. Use #FERRIS in your post or tweet to be included among our “Ferris Firsts.”
