### RSS Feed

Location – (20, 972)

Size – (1300 x 74)

### Time

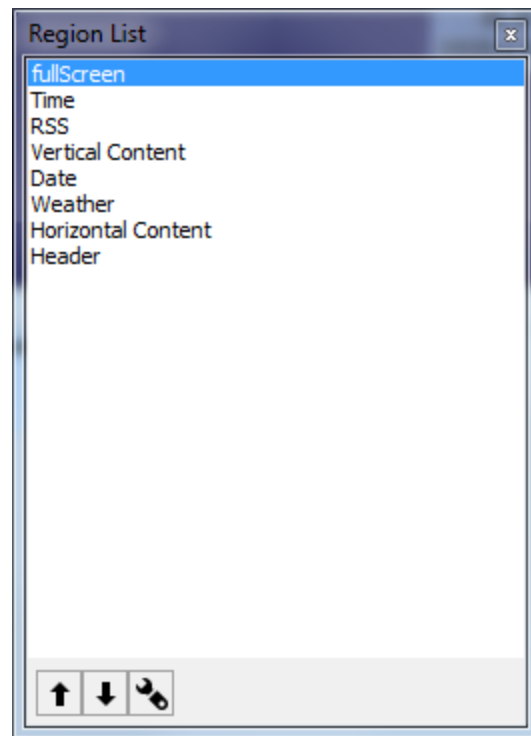

Location – (1620, 90)

Size – (280 x 70)

### Full Screen\*

Location – (0, 0)

Size – (1920 x 1080)

Make sure Full Screen is at the top of the region list. This list shows you all the 'layers' of your template.

Full Screen is not in the image, but is used for emergency broadcasts to all of the signs. Make sure this region is transparent so that it will not affect the other regions while not in use.
