FerrisNow: Strong Partnerships for Successful Students Conference

The Office of Transfer and Secondary Schools Partnerships would like to invite all Ferris faculty and staff to our FerrisNow: Strong Partnerships for Successful Students Conference on March 20-21 at the Holiday Inn in Big Rapids. The goal of the conference is to learn how we can help our Ferris students be successful on and off-campus, while strengthening the relationship with our high school and career technical education partners.

Our high school student enrollment through our FerrisNow program is rapidly growing. This semester we have over 1,100 students taking over 80 Ferris

course sections in their local schools. We invite you to attend the conference to learn how these programs are structured, what measures are in place to ensure academic integrity for off-campus courses, and how academic departments can get involved. You will also be able to interact with our FerrisNow instructors and secondary partners from across the state.

Dr. David Eisler will be hosting a President's Reception on March 20 followed by a networking dinner. The Faculty Center for Teaching and Learning will hosting workshops both days of the conference.

There will be an exhibitor area where our secondary partners can connect with faculty and staff from Ferris to learn about Ferris programs and the resources that Ferris provides to support them and their FerrisNow students. If you are interested in hosting an exhibitor table for your college, program or department, please contact us by March 2, 2018 at collegereadiness@ferris.edu. There is no charge for exhibitor space at the conference.

There is no cost to attend the conference. Please note that the conference includes a reception with Dr. David Eisler on Tuesday, followed by a networking dinner with your FerrisNow colleagues and Ferris faculty and staff.
Click here for the complete conference schedule and breakout sessions.
