Staff Center Offering: AED, CPR, and First Aid

AED, CPR, and First Aid Training

*Presented by: Chris Wilfong, trainer
CompOne Loss Prevention Services*

Offered by the Office of Safety, Health, Environmental & Risk Management

Date: May 8th
Time: Noon to 5:00 pm
Location: University Center room 217

This all-in-one session will teach participants the skills necessary to become CPR certified. Participants must attend and participate in the training as well as pass the CPR exam at the end of the course in order to obtain certification. The course will also cover proper AED use and First Aid.

You will learn to recognize emergencies and make appropriate decisions regarding care. This course teaches the necessary steps in the emergency medical services (EMS) system chain. You will also receive information on the prevention of injury and illness, with a focus on personal safety.

Staff Center Offering: [Develop Your Collaboration Skills](#)

Adaptive Schools Learning Community

Presented by: Jody Gardei, Staff Training & Development

Date: April 18th
Time: 3:30 to 4:30 pm
Location: University Center room 203 (Founders' Room)

Problem definition, problem solving, and solution generation all rely on specificity for success.

This interactive session focuses on practicing the skill of **pausing, paraphrasing, and posing questions**. Come and learn how you can use these skills to promote teamwork and collaboration.

This session is based on the work of Robert J. Garmston and Bruce M. Wellman, founders of Thinking Collaborative and Adaptive Schools. The session is designed using [Adaptive Schools engagement strategies](#). This is a great opportunity to practice new skills in a psychologically safe environment!

Everyone is welcome; no need to have attended the Adaptive Schools Foundations Seminar. Learn more about the Adaptive Schools Foundations Seminar on the [Thinking Collaborative website](#).

Staff Center Offering in Grand Rapids

Leading a Cross-Generational Workforce

Facilitated by: Jody Gardei, Staff Center for Training & Development

Based on a SkillPath Interactive Video Course

FSU-Grand Rapids Campus

Date: April 16, 2019

Time: 9:30 to 11:30 am

Location: Grand Rapids Community College, Applied Technology Center, Room 180A

This session will cover modules 4-6:

- Module 4: Communicating Across Generations
- Module 5: Building a Cross-generational Team That Works Together
- Module 6: Addressing Generational Conflict

Today's workplace is more diverse than ever before. Not only are people from different backgrounds and cultures working together, but for the first time in history, there could be up to five generations of employees working together. As the Silent and Baby Boom generations are exiting the workplace, the next generation (Post-millennial) is already beginning to enter.

This program will provide an understanding of generational trends which, in turn, will help you

develop greater empathy for the reasons people may respond differently to the same situation. The key leadership principles and latest available research will provide tools you need to persuade, communicate with and get the most from your highly skilled, and very diverse, team members.

Register on the [Staff Center Events site](#) (Google Chrome works best). Email sctd@ferris.edu if you have trouble registering for the session.

[Formalizing the Process for Military Training Credit](#)

Formalizing Course Equivalencies and an Online Assessment of Prior Learning Model for Military Veterans

Presented by: Deedee Stakley, Director of the Office of Transfer and Secondary School Partnerships, Sarah Mellon, and Will Emerson

Date: April 17th

Time: 11:00 am to 1:00 pm

Location: University Center room 203 (Founders' Room)

Lunch provided. RSVP by April 10th

Ferris State University has a renewed focus on developing a process to standardize the process by which veterans receive credit for their military experiences and training as well as formalize a process by which veterans may obtain credit and/or competency recognition for their military experience.

This initiative will:

- Build a program which is focused on transitioning military occupation specialties and targeted career areas into the direct course/program equivalencies at Ferris

State University.

- Create an online Assessment of Prior Learning.

FCTL: Examining the Impact of Privilege - It's a Small World

Privilege

Unearned, unasked for &
often invisible benefits &
advantages that are readily available
to dominant identity groups

pclave.peacecorps.gov

Take a pause out of your busy day to hear and discuss stories from the book *Privilege Through the Looking Glass* (2017). Sociologist Dr. Patricia Leavy has compiled stories authored by well-respected interdisciplinary writers and scholars who agreed to “delve deeply into their own lives...as a means of connecting the personal and the public.” According to Leavy, we often don’t recognize how we benefit from privilege and these stories help “make visible that which is often invisible...and sensitize us to things we have been taught not to see.”

Join us for an open conversation about the impact of privilege on our lives with faculty guest readers. See schedule below:

April 5 - *It’s a Small World: The Metabolics of Size* – Denise Cosper

April 12 - *Unpacking (Un)Privilege or Flesh Tone, Red Bones, and Sepia Shades of Brown* – Meral Topcu

April 26 - *Men Hug Me at Work: Juxtaposing Privilege with Everyday Sexism* – Kathryn Woods

May 3 - *Male or Female? Everyday Life When the ‘Or’ is ‘And’* – Stefanie Snider

An RSVP is needed because space is limited. Call 231.591.3826 or email fctl@ferris.edu. You may sign up to attend all or some of the sessions which take place **Fridays from 2 - 3 PM in FLITE 214: April 5, April 12, April 26, and May 3.**

If you have a disability and require accommodation to participate in these events, please contact FCTL at (231) 591-3826 or fctl@ferris.edu to request accommodations at least 72 hours in advance.
