Math Colloquium: Always Seeking New Horizons - 04/04/19 11:00AM STR 136

Always Seeking New Horizons

Thursday, April 4, 2019

11:00 – 11:50AM

STR 136

Speaker: Robert McCullough., Emeriti Professor, Ferris State University, Mathematics Department

Abstract: Fifty years after the moon landing, the exploration of space continues. After successfully flying past Pluto in 2015, the New Horizons spacecraft has continued deeper into space and this past January flew by the asteroid Ultima Thule, more than 4 billion miles from the sun, the most distant object ever explored. In this talk we will discuss the mission of New Horizons and the incredible discoveries that it has made since launching in 2006. Although mathematics will be mentioned, the intent is to make the talk enjoyable to people without a mathematical background.

If you need accommodations to attend this event, please contact the Mathematics Department at 231-591-2565 at least 24 hours in advance.

March Pat-On-the-Back Awards

Congratulations to the following individuals/departments for receiving Pat-On-the-Back recognition for March 2019. Each candidate or office will receive a Pat-On-the-Back Award certificate.

The below narratives were received during the month of March ...

- I would like to nominate **Nicole Lintemuth** in Accounting for a Pat-on-the-Back Award. She is not only great with numbers, but through her careful review of a document posted online, she found a discrepancy in information that needed correction. Thank you for reading and catching this! I appreciate you!
- I would like to nominate **Rachel Goldman** and **Stan Valier** from Catering!!! Between the two of these wonderful people they cater many different and varied functions for the College of Pharmacy alumni and students throughout the year. They are **always** a pleasure to work with and help me down to the last detail even when I call at the last minute. I don't know how we would do everything we do without them, they are the best!!! We just had another function last week and as always it was fantastic!!! You two are the best and I don't know how this university would live without either of YOU!!! Keep up the great work!
- I would like to nominate **Dr. Mark VanLent**- Dr. Mark has a genuine respect for students and the staff that he works with. He routinely checks in with his co-workers to see how they are doing and goes above and beyond in his work duties and responsibilities.
- I would like to nominate **Jennifer Spicer**- Jennifer does a wonderful job of managing a busy counseling center office and taking care of many big and small details that often go over looked. Her calming presence is a strong asset to the staff, clients and student workers.
- I would like to nominate three outstanding student employees at The Rock Cafe. **Carly Gruber, Julian Sheriff and Julia Willer**. We have a large number of exceptional student employees, however during the last few weeks of winter storms we were left short handed. Our whole team pulled together to provide great food and customer service to everyone on campus. These three wonderful students went way above and beyond to be here and help out in any way possible to help the full time staff. They are always ready to help anytime it is need and are very hard working. I believe we should acknowledge the outstanding work they provide every shift they work. Thank you.
- I'd like to nominate **Dava Cook**, Mail Center Coordinator, for a Pat-on-the-Back award. Dava is always there to help us with all of our U.S.

and campus-wide mail needs. Recently, she was able to retrieve some mail for me before it left campus so that I was able to fix some problems with it, and she did it promptly with a smile. Dava's can-do, friendly attitude really helps and is appreciated!

- *I would like to nominate **Stacy Anderson** and **Carrie Buss** for the Pat-on-the-back award. I unexpectedly needed an electronic resource added to the library system right away. They got it added in less than 24 hours and did so with the utmost professional courtesy. Thank you!*
- ***Linda Bomar** and the **Staff of the Sports Complex** deserve a Pat-On-the-Back award for all their help this weekend, and prior to, the Music Takes Action Concert. Thanks for everything!*

If you would like to nominate someone for the Pat-On-the Back Award, please send your nomination to FSUPride@ferris.edu. Recognitions are made monthly.

GO DAWGS!!!
