

FERRIS STATE UNIVERSITY

MICHIGAN COLLEGE OF OPTOMETRY

TRANSFER GUIDE RECOMMENDED PRE-OPTOMETRY CURRICULUM UNIVERSITY OF OLIVET

Applicants to the Michigan College of Optometry must complete a minimum of 90 semester hours or 135 quarter term hours of college or university education or have earned a baccalaureate degree. Pre-professional college/ university courses must include completion of the following pre-optometry requirements with a grade of C or better.

Catalog 2024-25

Ferris State University Michigan College of Optometry is accredited by the Accreditation Council on Optometric Education to offer the Doctor of Optometry (O.D.) program. The courses listed below are the ones that best meet the pre-optometry requirements for our program. Similar or more advanced courses may be acceptable. However, their acceptance should be determined in advance.

PRE-OPTOMETRY REQUIREMENTS

GENERAL BIOLOGY

One academic year with laboratory

MICROBIOLOGY

One course with laboratory

INORGANIC CHEMISTRY

One academic year with laboratory

ORGANIC CHEMISTRY

One course with laboratory

BIOCHEMISTRY

One course

GENERAL PHYSICS (non-calculus based)

One academic year with laboratory

CALCULUS I

One course

STATISTICS

One course

GENERAL PSYCHOLOGY

One course

RECOMMENDED COURSE(S)

BIO 111

BIO 112

BIO 207

CEM 151 & 153

CEM 152 & 154

CEM 231 & 233 or

CEM 232 & 234

CEM 332 or CEM 333

PHA 201 & 203

PHA 202 & 204

MTH 151

MTH 232 or BIO 406 or PSY 290

PSY 150

Additional required courses for individuals applying without a baccalaureate degree:

ENGLISH/COMPOSITION

One academic year

WRT 111

WRT 112

BEHAVIORAL SCIENCE (SOCIAL AWARENESS)

Six semester hours in addition to the general psychology course above. (Behavioral Sciences include: Anthropology, Economics, Geography, Political Science, Psychology, Social Science or Sociology.)

APPLICATION

The majority of Biology, Chemistry, Math and Physics courses need to be completed prior to the February 1 application deadline so appropriate comparisons can be made between applicants. Advanced Placement (AP)/CLEP credits can be applied towards meeting the admissions requirements for the Michigan College of Optometry.

Applicants to MCO (Michigan College of Optometry) are required to take the OAT (Optometry Admissions Test). The OAT is a specialized test, which helps identify qualified applicants to optometry colleges by measuring general academic ability and scientific knowledge necessary for successful completion of Doctor of Optometry degree. The OAT must be taken prior to the February 1 application deadline. Additional information for application and administration of the test can be found directly at <http://www.opted.org>.

The evaluation of candidates will take into consideration (1) the completion of the required pre-optometry courses, (2) academic performance, specifically, as measured by the grades obtained in chemistry, biology, mathematics, physics and generally, by the grades achieved in all pre-optometry courses, and (3) performance on the OAT. Other factors that are considered include motivation for the study and practice of optometry and demonstration of communication skills that could include optometry practice experience, preparation of a writing sample, participation in an interview and letters of reference. Visit <http://www.ferris.edu/mco> for further information on admissions.
