- This site has all the updated technology available to students. I was impressed by the amount of patients I was able to see on a daily basis. The staff here at the site are all very friendly and professional, and I learned a lot from them.
- CVC should continue to be an externship for 4th year students! It was a great environment with excellent staff. I'm sad to be done.
- Amazing facility, doctor, and staff. The equipment here is top notch. Dr. Nichols is talented as a doctor, educator, and business owner. The staff are all friendly and very welcoming, which made transitioning into the new office easy.
