
Chico Eye Center
Average Rating for 2021 – 2022 5.00

Response Scale: 1 = Poor; 2 = Marginal; 3 = Adequate; 4 = Good; 5 = Excellent; N = NA

- The Chico Eye Center was a really great rotation that had a good mix of disease, surgical observation, and patient population. They will be moving to a new building this coming Fall and I think it's going to make it an even better experience. Would 100% suggest leaving this rotation as an option. I think it has a lot to offer than other sites dont!
