
Associates in Eyecare
Average Rating for 2020 – 2021 4.78

Response Scale: 1 = Poor; 2 = Marginal; 3 = Adequate; 4 = Good; 5 = Excellent; N = NA

- Working at Associates in Eyecare was a great experience in a private practice setting. Dr. Kocks and Dr. Kaczmarczyk were knowledgeable clinical teachers. The staff was also very helpful and welcoming throughout the rotation. The only weakness of the rotation was the amount of no-shows restricted the number of patients I wanted to see, but I don't see how that could be attributed as a fault to the rotation site itself.
