****This schedule may be modified at the discretion of the site supervisor, the Director of Externships, and the MCO Dean.***

The clinic supervisor at the assigned rotation site may deny a personal day request if it interferes with the operation of the clinic or with the clinical education provided at the site.

Each student has 12 Absence days for their rotation sites, (maximum of 5 days used at any two sites). Absence Request forms required by MCO and can be found on www.ferris.edu/mco/extern website.

If there are any changes, please contact Michelle Balliet at: MichelleBalliet@ferris.edu or 231-591-3706.
