The trip down to Guyana in South America

Early Morning Flights....

Lots of luggage!

The church in Crabwood Creek.
This is also where the eye clinic was set up.

This is part of the church service on Sunday.

Elijah and Maribeth after the Sunday service.

Some scenes of setting up clinic. Most of the setup was with the give away glasses in the dispensary.

The first day of clinic

Patients waiting to start.

Dr. Dave Storer Counseling a patient

Anna Helping with sunglass selection.

Anna and Mindy taking visual acuities.

Karen holding a precious child!

Andy helping a patient find glasses!

Elena and Leah working at the blood pressure and blood glucose measuring station.

Mark and Karen working at the focometer and reading glasses station.

Dr. Maribeth Bangert with a patient while the guys were having fun in the dispensary!

Trisha and Thomas working with patients during clinic. Trisha is having a lady try out her new eyeglasses.

Fun in the dispensary with Anna and Russ!

So many eye drops!
Stacey is skillfully applying an eye drop.

New patients filling out paperwork.

Praying for new believers.

Thomas and Trisha talking with patients during clinic.

Elijah is preparing the patients to enter the clinic.

Volunteers help with visual acuity testing.

The team had some time to relax, enjoy coconut, and explore Georgetown, the capital city of Guyana

The last day of clinic. Everyone is happy and tired!
