**Addendum A**  
**COVID 19 & Other Contagious Diseases**

I understand that if I am residing in University housing during a Novel Coronavirus ("COVID-19") or other contagious disease pandemic/epidemic ("Disease"), I acknowledge there are risks of infection during my residence in University housing even though the University has taken steps to mitigate the risks of the Disease. Being aware of these risks, I agree to:

- follow the health and safety policies and rules adopted by the University and the Office of Housing & Residence Life in order to mitigate the risks and spread of the Disease.
- be tested for the Disease to ensure the health, safety, and well-being of myself and the University community. The testing may occur prior to my arrival or during my stay in housing. The testing may occur at scheduled or random times during the school year or if there is an identified risk of exposure. I understand that the University may be required to send positive test results to the Michigan Department of Health and Human Services and other governmental agencies, however, to the extent allowed by law, the University will comply with all laws relating to the confidentiality of the test results.
- be isolated or quarantined for an appropriate/reasonable period of time as determined by University officials if I test positive or am exposed to the Disease.

I understand the University may modify my housing accommodations to contain the spread of the Disease or for the health, safety, and welfare of myself and others in the University community. These modifications may require my relocation to alternative housing. The relocation or modification of my housing arrangements is not a termination of my housing contract.

I understand the University's and Office of Housing & Residence Life's health and safety policies and rules may evolve as the Disease evolves.

I understand the University may need to close University housing and terminate my housing contract due to the spread of the Disease. If the University is required to close University housing, I understand that I am entitled to a daily pro rata reduction in my housing and dining plan costs.

Finally, I understand that my failure to follow testing requirements or other University and Office of Housing & Residence Life health and safety policies and rules is a violation of my housing contract and the Code of Community Standards and the matter may be referred to the Office of Student Conduct and/or I may be removed from University housing and have my housing contract terminated.

In the event of any conflict or inconsistency between my housing contract and this Addendum A, the parties agree that this Addendum A shall control.
