

**Summer Camp Assistant (SCaA)**  
*Updated 2.22.18*

The Summer Camp Assistant (SCaA) is a live-in, paraprofessional staff member of the Office of Housing and Residence Life. They work in the residence halls to assist with camps over the summer. Responsibilities include, but are not limited to, checking camps both in and out of the halls, participating in a duty rotation, ensuring the safety of the building(s), and the possibility of desk hours. Over the summer, the SCaA must understand the need for flexibility and the constant change that comes with summer school and summer camps and conferences. The Office of Housing and Residence Life looks for candidates who will role model and promote the University's mission and vision. The Office of Housing and Residence Life at Ferris State University requires applicants to have had previous student staff experience or to be an upcoming student staff member starting in the upcoming fall semester. Candidates must be enrolled as a full time student for the following fall semester at Ferris State University. This position is a 3-month position, running from May to August. Applicants may not be enrolled in internships, clinical or practicum experiences, participate in student teaching, be enrolled in the police academy, or have any academic commitments which take them off campus for significant amounts of time while employed as a SCaA.
