

Articulation Agreement

Ferris State University AND

All State-Approved Career and Technical Education Programs in Michigan

The purpose of this agreement is to facilitate the transition of students from high school and/or Career and Technical Education (CTE) program to **Ferris State University**. Program is offered at all **State-Approved Career and Technical Education Programs in Michigan**.

General Conditions & Requirements

1. Application for Articulated Credit must be received within two years of the student's high school graduation. Exceptions to this condition must be approved by the Office of Transfer and Secondary School Partnership.
2. The [FerrisNow Secondary Articulated Credit Application](#) will be completed and submitted by the high school/tech center representative. All supporting documentation will be submitted as attachments to the application.
3. Students must earn a "B" or higher in the applicable CTE program to be eligible for articulated credit.
4. To receive credit for TDMP 136, the student needs to submit a Demo Reel (portfolio) for Television and Digital Media Production faculty review.

Director, Office of Transfer and Secondary School Partnerships

Date

Ferris State University will award articulated credit to students for the secondary program according to the condition/requirements as outlined in this agreement. Articulated Credit applies to degrees and certificates. This agreement is valid until date of discard. The 2+2 program of study can be found at the end of this document.

For the purposes of students enrolling and receiving articulated credit, this agreement remains effective for two additional years after expiration date to permit student access to agreed upon credits

All secondary state approved CTE programs in Michigan align their curriculum to the related CTE program standards are available on the [CTE Instructional Resources](#) page.

For any questions related to this agreement, please email us at FerrisNow@ferris.edu.

Implementation Date: July 1, 2022
Expiration Date: June 30, 2025
